

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Community Facilities District, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2015 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. In the further opinion of Bond Counsel, interest on the Series 2015 Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Series 2015 Bonds. See “LEGAL MATTERS — Tax Matters” herein.

The Community Facilities District No. 07-2 (Clinton Keith) of the County of Riverside Special Tax Bonds, Series 2015 (the “Series 2015 Bonds”) are being issued and delivered by Community Facilities District No. 07-2 (Clinton Keith) of the County of Riverside (the “Community Facilities District”) to (i) provide financing for certain public infrastructure improvements, (ii) fund a reserve fund with respect to the Series 2015 Bonds and (iii) pay the costs of issuance with respect to the Series 2015 Bonds. See “SOURCES AND USES OF FUNDS” herein. The Community Facilities District has been formed by and is located in the County of Riverside, California (the “County”).

The Series 2015 Bonds are authorized to be issued pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 *et seq.* of the Government Code of the State of California), and pursuant to an Indenture, dated as of August 1, 2015 (the “Indenture”) by and between the Community Facilities District and U.S. Bank National Association, as trustee (the “Trustee”).

The Series 2015 Bonds are special obligations of the Community Facilities District and are payable solely from revenues derived from certain annual Special Taxes (as defined herein) to be levied on and collected from the owners of parcels within the Community Facilities District subject to the Special Tax and from certain other funds pledged under the Indenture, all as further described herein. The Special Taxes are to be levied according to the rate and method of apportionment approved by the Board of Supervisors of the County and the qualified electors within the Community Facilities District. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS.” The Board of Supervisors of the County is the legislative body of the Community Facilities District.

The Series 2015 Bonds are issuable in fully registered form and when issued will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). Individual purchases may be made in principal amounts of \$5,000 or an integral multiple thereof, in book-entry form only. Purchasers of Series 2015 Bonds will not receive certificates representing their beneficial ownership of the Series 2015 Bonds but will receive credit balances on the books of their respective nominees. Interest on the Series 2015 Bonds will be payable on March 1, 2016 and semiannually thereafter on each March 1 and September 1. Principal of and interest on the Series 2015 Bonds will be paid by the Trustee to DTC for subsequent disbursement to DTC Participants who are to remit such payments to the beneficial owners of the Series 2015 Bonds. See “THE SERIES 2015 BONDS — General Provisions” and Appendix F — “BOOK-ENTRY AND DTC” herein.

Neither the faith and credit nor the taxing power of the County of Riverside, the State of California or any political subdivision thereof is pledged to the payment of the Series 2015 Bonds. Except for the Net Special Tax Revenues (as defined herein), no other taxes are pledged to the payment of the Series 2015 Bonds. The Series 2015 Bonds are special tax obligations of the Community Facilities District payable solely from Net Special Tax Revenues (as defined herein) and certain other amounts held under the Indenture as more fully described herein.

The Series 2015 Bonds are subject to optional redemption, mandatory redemption from Special Tax prepayments and mandatory sinking fund redemption prior to maturity as set forth herein. See “THE SERIES 2015 BONDS — Redemption” herein.

Certain events could affect the ability of the Community Facilities District to pay the principal of and interest on the Series 2015 Bonds when due. The purchase of the Series 2015 Bonds involves significant investment risks, and the Series 2015 Bonds may not be suitable investment for many investors. See the section of this Official Statement entitled “SPECIAL RISK FACTORS” for a discussion of certain risk factors that should be considered, in addition to the other matters set forth herein, in evaluating the investment quality of the Series 2015 Bonds.

This cover page contains certain information for general reference only. It is not intended to be a summary of the security or terms of this issue. Investors are advised to read the entire Official Statement to obtain information essential to the making of an informed investment decision.

INTRODUCTION

General

This introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the appendices, and the documents summarized or described herein. A full review should be made of the entire Official Statement. The sale and delivery of the Series 2015 Bonds (defined below) to potential investors is made only by means of the entire Official Statement. All capitalized terms used in this Official Statement and not defined shall have the meaning set forth in Appendix C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Definitions” herein.

The purpose of this Official Statement, which includes the cover page, the inside cover page, the table of contents and the attached appendices (collectively, the “Official Statement”), is to provide certain information concerning the issuance by Community Facilities District No. 07-2 (Clinton Keith) of the County of Riverside (the “Community Facilities District”) of the \$25,170,000 Community Facilities District No. 07-2 (Clinton Keith) of the County of Riverside Special Tax Bonds, Series 2015 (the “Series 2015 Bonds”). The proceeds of the Series 2015 Bonds, together with certain existing funds of the Community Facilities District, will be used to (i) provide additional funding for certain public infrastructure improvements relating to the extension of Clinton Keith Road, (ii) fund a deposit to the Reserve Fund, and (iii) pay costs of issuance of the Series 2015 Bonds. See “SOURCES AND USES OF FUNDS” herein.

The Series 2015 Bonds are authorized to be issued pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 *et seq.* of the Government Code of the State of California) (the “Act”), and an Indenture of Trust dated as of August 1, 2015 (the “Indenture”) by and between the Community Facilities District and U.S. Bank National Association (the “Trustee”). Upon their issuance, the Series 2015 Bonds will be the only outstanding bonds of the Community Facilities District and will be secured under the Indenture by a lien on and security interest in Net Special Taxes Revenues (as defined herein) and any other amounts held in the Special Tax Fund, the Bond Fund and the Reserve Fund as described in the Indenture.

Under the terms of the Indenture, under certain conditions the Community Facilities District may issue additional bonds secured by the Net Special Tax Revenues of the Community Facilities District on a parity with the Series 2015 Bonds (“Additional Bonds”). See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Additional Bonds.” The term “Bonds” means the Series 2015 Bonds together with any Additional Bonds.

The Community Facilities District

Formation Proceedings. The Community Facilities District was formed by the County of Riverside, California (the “County”) pursuant to the Act.

The Act was enacted by the California legislature to provide an alternative method of financing certain public capital facilities and services, especially in developing areas of the State. Any local agency (as defined in the Act) may establish a district to provide for and finance the cost of eligible public facilities and services.

Generally, the legislative body of the local agency which forms a district acts on behalf of such district as its legislative body. Subject to approval by two-thirds of the votes cast at an election of the property owners within such district and compliance with the other provisions of the Act, a legislative body of a local agency may issue bonds for a district and may levy and collect a special tax within such district to repay such indebtedness.

Pursuant to the Act, the Board of Supervisors of the County adopted the necessary resolutions stating its intent to establish the Community Facilities District, to authorize the levy of Special Taxes on taxable property within the boundaries of the Community Facilities District, and to have the Community Facilities District incur bonded indebtedness. Subsequently, the Board of Supervisors approved the resolution of intention to approve an amended and restated rate and method of apportionment of the Special Taxes for the Community Facilities District (the "Rate and Method"). Following public hearings conducted pursuant to the provisions of the Act, the Board of Supervisors of the County adopted resolutions establishing the Community Facilities District and calling special elections to submit the levy of the Special Taxes and the incurring of bonded indebtedness to the qualified voters of the Community Facilities District. On June 18, 2007, at an election held pursuant to the Act, the landowners who comprised the qualified voters of the Community Facilities District, authorized the Community Facilities District to incur bonded indebtedness in an aggregate principal amount not to exceed \$60,000,000 and approved the Rate and Method to pay the principal of and interest on the bonds of the Community Facilities District. The Rate and Method is set forth in Appendix A hereto. The Board of Supervisors of the County acts as the legislative body of the Community Facilities District.

The Community Facilities District was formed to finance various public improvements needed as a result of the proposed development within the Community Facilities District, including the widening of the interchange at Interstate 215, the extension of the Clinton Keith Road between Antelope Road in the City of Murrieta and SR-79 (the "Clinton Keith Road Extension"), including bridge facilities and appurtenances thereto, street improvements including grading, paving, curbs and gutters, sidewalks, street signalization and signage, street lights and parkway and landscaping related thereto, storm drain facilities, environmental mitigation facilities needed in connection therewith, and land, rights-of-way and easement necessary for any of such facilities (the "Facilities"). Phase 1 of the Clinton Keith Road Extension is complete, and the total cost of Phase 2 is estimated at \$39,500,000, of which approximately \$23,000,000 will be paid for by the Community Facilities District. See "—The Project" below.

The Series 2015 Bonds will finance certain Facilities. See "THE COMMUNITY FACILITIES DISTRICT — Description of Authorized Facilities; Facilities Financing Plan." Additional Bonds may be issued to fund additional Facilities after further development occurs. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Additional Bonds" and "SPECIAL RISK FACTORS — Effect of Additional Bonds on Credit Quality." The County has determined that the Facilities are regional transportation facilities necessary to support development in the Community Facilities District and surrounding areas.

The County has adopted Local Goals and Policies for Land Secured Financing Community Facilities Districts, which establishes several categories of community facilities districts that will be used by the County to finance various types of public facilities. The Community Facilities District fits within the category known as a "Critical Transportation Corridor Improvement Program Community Facilities District" (a "CTCIP CFD") established to finance the Facilities. See "THE SERIES 2015 BONDS — Authority for Issuance" and "THE COMMUNITY FACILITIES DISTRICT — Description of Authorized Facilities; Facilities Financing Plan."

The Project. The Clinton Keith Road Extension includes the construction of Clinton Keith Road as a 6 lane urban arterial from Antelope Road to SR-79. The Clinton Keith Road Extension is being constructed in phases. Phase 1 construction, which includes the area from Antelope Road to Whitewood Road, was recently completed by the City of Murrieta. Phase 2 of the Clinton Keith Road Extension, for which the Series 2015 Bonds are in part being issued, includes the construction of a 1/2 width (three lane) section from Whitewood

Road to 1.7 miles easterly to Trois Valley Street, in addition to the installation of a traffic signal at Trois Valley Street. The section of Clinton Keith Road from Trois Valley Street to Leon Road is an existing full width, six lane section built by a developer. Phase 3 of the Clinton Keith Road Extension includes construction from Leon Road to south of French Valley Creek, including the French Valley Creek Bridge, and a traffic signal at Leon Road/Clinton Keith Road. The approved Regency development located at the northwest corner of SR-79 and future Clinton Keith Road has approvals to extend the road from the County's Phase 3 improvements at French Valley Creek and connect to SR-79. Phase 4 will complete the remaining half width of the road and install a traffic signal at Menifee Road/Clinton Keith Road.

The total cost of Phase 2 of the Clinton Keith Road Extension, is estimated to be \$39,500,000. The Community Facilities District has obtained \$16,500,000 in Measure A Regional Arterial funds from the Riverside County Transportation Commission, which provides funds for regional arterial systems. The Series 2015 Bonds are being issued, in part, to finance the remaining costs of the Community Facilities District associated with Phase 2, estimated at \$23,000,000. Upon completion, SR-79 will be accessible by way of Leon Road and Max Gillis Boulevard.

Development Status. The Community Facilities District consists of a number of noncontiguous properties located mostly in an unincorporated portion of the County, also known as French Valley, with a small portion located in the City of Murrieta. The Community Facilities District is approximately 10 miles north of the City of Temecula, 35 miles southeast of the City of Riverside, 90 miles southeast of the City of Los Angeles, and 60 miles north of the City of San Diego. The Community Facilities District is located east of Interstate 215 which is a major freeway connecting the cities of Riverside and San Diego.

Under the Rate and Method, property is classified based on its development status as of April 1, 2015. As of April 1, 2015, the Community Facilities District contains 1,479 taxable parcels, of which pursuant to the Rate and Method 1,068 parcels are classified as Developed Property (taxable property for which a final map has been recorded as of January 1 preceding the current fiscal year, and a building permit has been obtained as of April 1 for the following fiscal year tax levy), 357 parcels are classified as Approved Property (taxable property for which a final map has been recorded but for which a building permit has not been obtained as of April 1 for the following fiscal year special tax levy), and 54 parcels representing approximately 457.02 acres are classified as Undeveloped Property (taxable property for which no final map has been recorded and no building permit obtained as of January 1 for the following fiscal year special tax levy), all as pursuant to the Rate and Method of Apportionment.

As of April 1, 2015, the total acreage of the taxable parcels within the Community Facilities District is approximately 704.26 acres, comprised of approximately 180.88 acres of Developed Property, approximately 66.36 acres of Approved Property, and approximately 457.02 acres of Undeveloped Property. As of April 1, 2015, within the Community Facilities District, there are 1,068 parcels of Developed Property, comprising 890 completed single family units and 113 multi-family units which have been completed and conveyed to individual homeowners as of June 22, 2015, and 65 single family attached and detached units which are either under construction or completed but still owned by the developer developing such units.

Special Taxes from Developed Property and Approved Property are expected to be at least 110% of maximum annual debt service on the Series 2015 Bonds plus administrative expenses of the Community Facilities District. Undeveloped Property is not expected to be levied by the Community Facilities District until such parcels become Developed Property or Approved Property or Additional Bonds are issued. See "THE COMMUNITY FACILITIES DISTRICT" and "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Additional Bonds." However, Additional Bonds may be issued under certain conditions on a parity with the Series 2015 Bonds which could potentially cause a portion of the debt service on the Series 2015 Bonds to be expected to be payable from Special Taxes from Undeveloped Property. See "THE COMMUNITY FACILITIES DISTRICT," "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Additional Bonds" and "SPECIAL RISK FACTORS — Effect of Additional Bonds on Credit Quality."

According to the Riverside County Assessor's Office, as of March 5, 2015, the preliminary assessed value for Fiscal Year 2015-16 for the January 1, 2015 lien date of the property within the Community Facilities District classified as Developed Property for the Fiscal Year 2015-16 Special Tax levy was \$336,414,592. Additionally, the Fiscal Year 2015-16 assessed value of all the taxable property within the Community Facilities District was \$373,245,379 resulting in an estimated assessed value-to-lien ratio of approximately 6.37-to-1 for Developed Property, Approved Property, and Undeveloped Property based on the principal amount of the Series 2015 Bonds (allocated to each parcel of Developed Property and Approved Property within the Community Facilities District based on the proportion of the Fiscal Year 2014-15 Special Taxes on such parcels) and other overlapping debt secured by *ad valorem* taxes, special taxes and assessments and overlapping general obligation debt on such property. The estimated assessed value-to-lien ratio is approximately 8.28-to-1 for Developed Property, Approved Property and Undeveloped Property based on the principal amount of the Series 2015 Bonds and other overlapping debt secured by special taxes and assessments (but excluding other overlapping general obligation debt within the Community Facilities District). See "THE COMMUNITY FACILITIES DISTRICT — Estimated Assessed Value-to-Lien Ratios" herein.

Security and Sources of Payment for the Series 2015 Bonds

General. The Series 2015 Bonds are special obligations of the Community Facilities District, and the interest on and principal of and redemption premiums, if any, on the Series 2015 Bonds are payable solely from Net Special Tax Revenues (described below) to be levied annually against the property in the Community Facilities District, and other amounts on deposit in the Special Tax Fund, the Bond Fund and the Reserve Fund. As described herein, the Special Taxes are collected along with *ad valorem* property taxes on the tax bills mailed by the Treasurer-Tax Collector of Riverside County. Although the Special Taxes will constitute a lien on the property subject to taxation in the Community Facilities District, they will not constitute a personal indebtedness of the owners of such property. There is no assurance that such owners will be financially able to pay the annual Special Taxes or that they will pay such taxes even if they are financially able to do so.

Net Special Tax Revenues. Under the Indenture, the Community Facilities District has pledged to repay the Series 2015 Bonds from Net Special Tax Revenues and other amounts held in the Special Tax Fund, the Bond Fund and the Reserve Fund established under the Indenture, subject to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein. Net Special Tax Revenues consist of Special Tax Revenues less the amount required to pay Administrative Expenses. Special Tax Revenues are defined in the Indenture to include the proceeds of the Special Taxes received by or on behalf of the Community Facilities District, including any prepayments thereof, interest and penalties thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes and proceeds of any security for payment of Special Taxes taken in lieu of foreclosure after payment of administrative costs and attorneys' fees payable from proceeds of such redemption, sale or security.

The Net Special Tax Revenues are the primary security for the repayment of the Series 2015 Bonds. In the event that the Special Taxes are not paid when due, the only sources of funds available to pay the debt service on the Series 2015 Bonds are amounts held by the Trustee in the Special Tax Fund, the Bond Fund and the Reserve Fund. Amounts held in the Improvement Fund, the Rebate Fund and the Administrative Expense Fund are not available to pay the debt service on the Series 2015 Bonds. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS."

Proceeds of Foreclosure Sales. Pursuant to Section 53356.1 of the Act and the Indenture, the Community Facilities District will covenant in the Indenture with and for the benefit of the Owners of the Series 2015 Bonds and any Additional Bonds that the Community Facilities District will commence appropriate judicial foreclosure proceedings against parcels with total Special Tax delinquencies in excess of \$5,000 (not including interest and penalties thereon) by the October 1 following the close of each Fiscal Year in which the last of such Special Taxes were due and will commence appropriate judicial foreclosure

proceedings against all parcels with delinquent Special Taxes by the October 1 following the close of each Fiscal Year in which it receives Special Taxes in an amount which is less than 95% of the total Special Taxes levied in such Fiscal Year, and diligently pursue to completion such foreclosure proceedings. However, notwithstanding the foregoing, the Community Facilities District may elect to accept payment from a property owner of at least the enrolled amount but less than the full amount of the penalties, interest, costs and attorneys' fees related to a Special Tax delinquency, if permitted by law. Additionally, notwithstanding the foregoing, in certain instances the amount of a Special Tax delinquency on a particular parcel is so small that the cost of appropriate foreclosure proceedings will far exceed the Special Tax delinquency and in such cases foreclosure proceedings may be delayed by the Community Facilities District until there are sufficient Special Tax delinquencies accruing to such parcel (including interest and penalties thereon) to warrant the foreclosure proceedings cost. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Proceeds of Foreclosure Sales."

There is no assurance that the property within the Community Facilities District can be sold for the assessed values described herein, or for a price sufficient to pay the principal of and interest on the Series 2015 Bonds in the event of a default in payment of Special Taxes by the current or future landowners within the Community Facilities District. See "SPECIAL RISK FACTORS — Property Values; Value-to-Lien Ratios" herein.

EXCEPT FOR THE NET SPECIAL TAX REVENUES AND AMOUNTS HELD IN THE SPECIAL TAX FUND, THE BOND FUND AND THE RESERVE FUND, NO OTHER FUNDS ARE PLEDGED TO THE PAYMENT OF THE SERIES 2015 BONDS. THE SERIES 2015 BONDS ARE NOT GENERAL OR SPECIAL OBLIGATIONS OF THE COUNTY BUT ARE SPECIAL OBLIGATIONS OF THE COMMUNITY FACILITIES DISTRICT PAYABLE SOLELY FROM THE NET SPECIAL TAX REVENUES AND AMOUNTS HELD IN THE SPECIAL TAX FUND, THE BOND FUND AND THE RESERVE FUND UNDER THE INDENTURE AS MORE FULLY DESCRIBED HEREIN. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE COMMUNITY FACILITIES DISTRICT (EXCEPT TO THE LIMITED EXTENT SET FORTH IN THE INDENTURE), THE COUNTY, OR THE STATE OF CALIFORNIA, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE SERIES 2015 BONDS.

Under the terms of the Indenture, under certain conditions the Community Facilities District may issue Additional Bonds secured by the Net Special Tax Revenues of the Community Facilities District on a parity with the Series 2015 Bonds. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Additional Bonds."

Tax Matters

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Community Facilities District, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2015 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. In the further opinion of Bond Counsel, interest on the Series 2015 Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Series 2015 Bonds. See “LEGAL MATTERS — Tax Matters.”

maturity or maturities of the Series 2015 Bonds to be redeemed (except in the event of redemption of all of the Series 2015 Bonds of such maturity or maturities in whole), and shall require that such Series 2015 Bonds be then surrendered at the Office of the Trustee for redemption at the Redemption Price, giving notice also that further interest on such Series 2015 Bonds will not accrue from and after the date fixed for redemption.

Neither the failure to receive such notice nor any defect in such notice will affect the validity of the proceedings for redemption of such Series 2015 Bonds or the cessation of accrual of interest thereon from and after the date fixed for redemption.

With respect to any notice of any optional redemption of Series 2015 Bonds, unless at the time such notice is given the Series 2015 Bonds to be redeemed shall be deemed to have been paid within the meaning of the Indenture, such notice shall state that such redemption is conditional upon receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys that, together with other available amounts held by the Trustee, are sufficient to pay the principal of and premium, if any, on the Series 2015 Bonds on the date fixed for redemption (the "Redemption Price"), and accrued interest on, the Series 2015 Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Community Facilities District shall not be required to redeem such Series 2015 Bonds. In the event a notice of redemption of Series 2015 Bonds contains such a condition and such moneys are not so received, the redemption of Series 2015 Bonds as described in the conditional notice of redemption shall not be made and the Trustee shall, within a reasonable time after the date on which such redemption was to occur, give notice to the Persons and in the manner in which the notice of redemption was given, that such moneys were not so received and that there shall be no redemption of Series 2015 Bonds pursuant to such notice of redemption.

Effect of Redemption. When notice has been mailed as provided in the Indenture, and moneys for the Redemption Price, and the interest to the applicable date fixed for redemption, having been set aside with the Trustee, the Series 2015 Bonds shall become due and payable on said date, and, upon presentation and surrender thereof at the Office of the Trustee, said Series 2015 Bonds shall be paid at the Redemption Price thereof, together with interest accrued and unpaid to said date.

If, on said date fixed for redemption, moneys for the Redemption Price of all the Series 2015 Bonds to be redeemed, together with interest to said date, shall be held by the Trustee so as to be available therefor on such date, and, if notice of redemption thereof shall have been mailed as aforesaid and not canceled, then, from and after said date, interest on said Series 2015 Bonds shall cease to accrue and become payable. All moneys held by or on behalf of the Trustee for the redemption of Series 2015 Bonds shall be held in trust for the account of the Owners of the Series 2015 Bonds so to be redeemed without liability to such Owners for interest thereon.

Registration, Transfer and Exchange

Registration. The Trustee will keep sufficient books for the registration and transfer of the Series 2015 Bonds. The ownership of the Series 2015 Bonds will be established by the bond registration books held by the Trustee.

Transfer or Exchange. Whenever any Series 2015 Bond is surrendered for registration of transfer or exchange, the Community Facilities District shall execute and the Trustee will authenticate and deliver a new Series 2015 Bond or Series 2015 Bonds of the same maturity, for a like aggregate principal amount of authorized denominations; provided that the Trustee will not be required to register transfers or make exchanges of (i) Series 2015 Bonds for a period of 15 days next preceding the date of any selection of the Series 2015 Bonds to be redeemed, or (ii) any Series 2015 Bonds chosen for redemption. The Trustee shall require the Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer.

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS

Covenants and Warranties

The Community Facilities District will covenant in the Indenture to comply with the covenants and warranties therein, which will be in full force and effect upon the issuance of the Series 2015 Bonds. See Appendix C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Covenants.”

Special Obligations

The Series 2015 Bonds are special obligations of the Community Facilities District, and the interest on and principal of and redemption premiums, if any, on the Series 2015 Bonds are payable solely from Net Special Tax Revenues (described below) to be levied annually against the property in the Community Facilities District, and other amounts on deposit in the Special Tax Fund, the Bond Fund and the Reserve Fund.

Under the Indenture, the Community Facilities District has pledged to repay the Series 2015 Bonds from Net Special Tax Revenues and other amounts held in the Special Tax Fund, the Bond Fund and the Reserve Fund established under the Indenture, subject to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein. Net Special Tax Revenues consist of Special Tax Revenues less the amount required to pay Administrative Expenses. Special Tax Revenues are defined in the Indenture to include the proceeds of the Special Taxes received by or on behalf of the Community Facilities District, including any prepayments thereof, interest and penalties thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes, and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes and any proceeds of any security for payment of Special Taxes taken in lieu of foreclosure after payment of administrative costs and attorneys’ fees payable from proceeds of such redemption, sale or security.

The Net Special Tax Revenues are the primary security for the repayment of the Series 2015 Bonds. In the event that the Special Taxes are not paid when due, the only sources of funds available to pay the debt service on the Series 2015 Bonds are amounts held by the Trustee in the Special Tax Fund, the Bond Fund and the Reserve Fund. Amounts held in the Improvement Fund, the Rebate Fund and the Administrative Expense Fund are not available to pay the debt service on the Series 2015 Bonds. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS.”

EXCEPT FOR THE NET SPECIAL TAX REVENUES AND AMOUNTS HELD IN THE SPECIAL TAX FUND, THE BOND FUND AND THE RESERVE FUND, NO OTHER FUNDS ARE PLEDGED TO THE PAYMENT OF THE SERIES 2015 BONDS. THE SERIES 2015 BONDS ARE NOT GENERAL OR SPECIAL OBLIGATIONS OF THE COUNTY BUT ARE SPECIAL OBLIGATIONS OF THE COMMUNITY FACILITIES DISTRICT PAYABLE SOLELY FROM THE NET SPECIAL TAX REVENUES AND AMOUNTS HELD IN THE SPECIAL TAX FUND, THE BOND FUND AND THE RESERVE FUND UNDER THE INDENTURE AS MORE FULLY DESCRIBED HEREIN. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE COMMUNITY FACILITIES DISTRICT (EXCEPT TO THE LIMITED EXTENT SET FORTH IN THE INDENTURE), THE COUNTY, OR THE STATE OF CALIFORNIA, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE SERIES 2015 BONDS.

Collection of Special Taxes

The Rate and Method provides that the Special Taxes are payable and will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes, provided, however, that the Community Facilities District may directly bill the Special Taxes and may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations.

Because the Special Tax levy is limited to the Maximum Special Tax rates set forth in the Rate and Method, no assurance can be given that, in the event of Special Tax delinquencies, the Special Taxes will, in fact, be collected in sufficient amounts in any given year to pay debt service on the Bonds.

Although the Special Taxes, when levied, will constitute a lien on parcels subject to taxation, they do not constitute a personal indebtedness of the owners of property. There is no assurance that the owners of real property will be financially able to pay the annual Special Tax or that they will pay such tax even if financially able to do so. See also, "SPECIAL RISK FACTORS" herein.

Rate and Method

General. On June 12, 2007, the Board of Supervisors established the Community Facilities District. The Community Facilities District is authorized to levy and collect the Special Tax to finance the Facilities pursuant to and in accordance with the Rate and Method, a copy of which is set forth in Appendix A — "AMENDED AND RESTATED RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX FOR COMMUNITY FACILITIES DISTRICT NO. 07-2 (CLINTON KEITH) OF THE COUNTY OF RIVERSIDE." Capitalized terms used under this caption "Rate and Method" shall have the meanings set forth in the Rate and Method attached as Appendix A.

The qualified electors of the Community Facilities District approved the Rate and Method at an election held on June 18, 2007.

Rate and Method. The Rate and Method contains the provisions by which the Legislative Body may annually levy the Special Taxes on Taxable Property within the Community Facilities District up to the applicable Maximum Special Tax to pay for the Special Tax Requirement. The Bonds will be secured by the annual Special Taxes levied pursuant to the Rate and Method. The Rate and Method provides that the Special Tax shall be levied for the period necessary to satisfy the Special Tax Requirement, but in no event shall it be levied after Fiscal Year 2044-45 or the stated maturity of the Bonds, whichever is sooner.

Special Tax Requirement. The Special Tax Requirement is defined in the Rate and Method as the amount required in each Fiscal Year to pay: (i) annual debt service on all Outstanding Bonds due in the calendar year which commences in such Fiscal Year; (ii) periodic costs on the Bonds, including but not limited to, credit enhancement and rebate payments on the Bonds; (iii) Administrative Expenses; (iv) an amount equal to any shortfall due to Special Tax delinquencies experienced in the prior Fiscal Year; (v) for acquisition or construction costs of facilities authorized to be financed by the Community Facilities District, provided such amount does not cause an increase in the Special Tax levy on Approved Property or Undeveloped Property; and (vi) any amounts required to establish or replenish any reserve funds for the Bonds; less (vii) a credit for funds available to reduce the annual Special Tax levy as determined pursuant to the Indenture.

Method of Apportionment. The Rate and Method provides that the Legislative Body shall levy the Special Tax on all Taxable Property in accordance with the following steps in order to collect Special Taxes sufficient to satisfy the Special Tax Requirement:

First: Prior to the issuance of Bonds, the Special Tax shall be levied on each Parcel of Developed Property at 100% of the applicable Assigned Special Tax to be applied to the cost of the facilities authorized to be financed by the Community Facilities District; subsequent to the issuance of the Bonds, the Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax, as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the applicable Assigned Special Tax, as needed to satisfy the Special Tax Requirement;

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Fourth: If additional moneys are needed to satisfy the Special Tax Requirement after the first three steps have been completed, the Special Tax shall be levied on each Parcel of Approved Property and/or Developed Property whose Maximum Special Tax is derived by the application of the Backup Special Tax, shall be increased Proportionately at up to 100% of the difference between the applicable Maximum Special Tax for each such Parcel less the applicable Assigned Special Tax for such Parcel as needed to satisfy the Special Tax Requirement;

Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Property Owners' Association Property that is not Exempt Property at up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement.

Sixth: If additional moneys are needed to satisfy the Special Tax Requirement after the first five steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Public Property that is not Exempt Property, at up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement.

Notwithstanding the above, under no circumstances shall the Special Taxes levied against any Parcel of Developed Property that is Residential Property be increased as a consequence of delinquency or default by the owner of any other Parcel or Parcels within the Community Facilities District by more than ten percent (10%).

Taxable Property and Exempt Property. The Rate and Method declares that for each Fiscal Year, each Parcel shall be categorized as either Developed Property, Approved Property, Undeveloped Property, Public Property, Property Owners' Association Property, or Exempt Property and shall be subject to the levy of Special Taxes in accordance with the Rate and Method. Developed Property and Approved Property shall further be classified as Residential Property, Non-Residential Property or Multiple Land Use Property. Residential Property shall be further classified as Single Family Property or Multifamily Property.

(i) "Approved Property" means, for each Fiscal Year, all parcel(s), lot(s) or units(s) of Taxable Property not classified as Public Property or Property Owners' Association Property: (i) that are included in a Final Map that was recorded prior to the January 1st preceding said Fiscal Year, and (ii) that have not been issued a Building Permit prior to the April 1st preceding said Fiscal Year.

(ii) "Developed Property" means, for each Fiscal Year, all parcel(s), lot(s) or unit(s) of Taxable Property, not classified as Public Property or Property Owners' Association Property: (i) that are included in a Final Map that was recorded prior to January 1st preceding said Fiscal Year and (ii) for which a Building Permit has been issued prior to April 1st of the preceding Fiscal Year.

(iii) "Exempt Property" means, for each Fiscal Year any Parcel which is exempt from Special Taxes pursuant to the Rate and Method. See Section E in Appendix A — "AMENDED AND RESTATED RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX FOR COMMUNITY FACILITIES DISTRICT NO. 07-2 (CLINTON KEITH) OF THE COUNTY OF RIVERSIDE."

(iv) "Multifamily Property" means, for each Fiscal Year, any parcel, lot or unit of Residential Property for which a building permit can or has been issued for attached or detached residential units in a development that has a density of greater than eight (8) Residential Dwelling Units per gross acre, as recorded on a Final Map or as determined by the Administrator.

(v) “Single Family Property” means, for each Fiscal Year, any parcel, lot or unit of Residential Property for which a building permit can or has been issued for attached or detached residential units in a development that has a density of eight (8) Residential Dwelling Units to the gross acre or less, as recorded on a Final Map or as determined by the Administrator.

(vi) “Non-Residential Property” means, for each Fiscal Year, all Parcels of Developed Property and Approved Property for which a Building Permit can or has been issued for any type of non-residential use, as determined by the Administrator.

(vii) “Multiple Land Use Property” means, for each Fiscal Year, all parcels of Developed Property and Approved Property assigned to more than one Land Use Category (e.g. one structure containing both Non-Residential Property and Residential Property), as determined by the Administrator.

(viii) “Property Owners’ Association Property” means, for each Fiscal Year, any Parcel which, as of the January 1 preceding said Fiscal Year, is owned by a property owners’ association, including any master or sub-association or is identified on a Final Map as common area to be owned by a property owners’ association. Property Owners’ Association Property includes but is not limited to property dedicated and restricted for the use as streets, open space, park, habitat reserve, clubhouse or recreational facilities.

(ix) “Public Property” means, for each Fiscal Year, any Parcel within the boundary of the Community Facilities District which, as of the January 1 preceding said Fiscal Year, is owned by, dedicated to, or irrevocably offered for dedication to the federal government, the State of California, the County, or any other public agency, or utility property utilized for the provision of services to the public or a property encumbered with public or utility easements making impractical its utilization for other than the purpose set forth in the easement; provided, however, that any Parcel leased by a public agency to a private entity and subject to taxation under Section 53340.1 of the Act shall be taxed and classified according to its use. Public Property includes but is not limited to, public streets, water and sewer facilities, flood control drainage channels, public schools, or property dedicated and restricted for the use as open space, park or habitat reserve.

(x) “Undeveloped Property” means, for each Fiscal Year, all Taxable Property not classified as Developed Property, Approved Property, Public Property, or Property Owners’ Association Property and which is not otherwise Exempt Property pursuant to the Rate and Method.

Maximum Special Tax. The Maximum Special Tax is defined in the Rate and Method as follows:

(i) The Maximum Special Tax for each Parcel of Undeveloped Property, Property Owners’ Association Property and Public Property is \$7,716.55 per Acre, times the Acreage of the Parcel, for Fiscal Year 2015-16. This rate increases by 2.00% each July 1, commencing July 1, 2016.

(ii) The Maximum Special Tax for each Parcel of Developed Property that is Single Family or Multifamily Property, or Approved Property is the greater of the applicable Assigned Special Tax or the amount derived by application of the Backup Special Tax.

Assigned Special Tax. The Assigned Special Tax for any parcel of Approved Property or Developed Property, except for Multiple Land Use Property, is \$1,229.07 per Residential Dwelling Unit (“RDU”) for the Parcels which were classified as Single Family Property for Fiscal Year 2015-16; \$931.47 for Parcels which were classified as Multifamily Property for Fiscal Year 2015-16, and \$7,716.55 per acre for Parcels that were classified as Non-Residential Property for Fiscal Year 2015-16. The Assigned Special Tax increases by an amount equal to 2.00% of the Assigned Special Tax in effect for the prior Fiscal year, for each Fiscal Year following Fiscal Year 2015-16.

Backup Special Tax.

(i) If the number of RDU of Single Family Property or Multifamily Property in a specific Final Map is equal to or greater than the proposed number of such RDUs listed in Table 2 of the Rate and Method for the corresponding Final Map, the Backup Special Tax for each Parcel of Single Family Property and Multifamily Property that is Developed Property or Approved Property shall be the Assigned Special Tax for such Parcel at the time such Taxable Property becomes Developed Property or Approved Property.

(ii) If the number of RDU of Single Family Property in a specific Final Map is less than the proposed number of RDU identified in Table 2 of the Rate and Method for the corresponding Final Map, then the Backup Special Tax for each RDU of Single Family Property within said Final Map shall equal (x) the number of RDUs of Single Family Property identified in Table 2 of the Rate and Method multiplied by the Assigned Special Tax for Single Family Property shown in the Rate and Method, as increased in accordance with the Rate and Method, divided by (y) the number of RDUs of Single Family Property within such Final Map.

(iii) If the number of RDUs of Single Family Property in a specific Final Map is subsequently changed or modified, then the Backup Special Tax shall be recalculated for each RDU of Single Family Property within the changed or modified area of said Final Map such that the modified Backup Special Tax for each such RDU of Single Family Property within such changed or modified area shall equal the aggregate Backup Special Tax within the changed or modified area prior to the change or modification in such Final Map divided by the number of RDUs of Single Family Property within such changed or modified area after the change or modification in such Final Map. For a Parcel of Single Family Property that is not changed or modified by changes or modifications to a Final Map, the Backup Special Tax shall not be recalculated.

(iv) If the number of RDU of Multifamily Property in a specific Final Map is less than the proposed number of RDU identified in Table 2 of the Rate and Method for the corresponding Final Map, then the Backup Special Tax for each RDU of Multifamily Property within said Final Map shall equal (x) the number of RDUs of Multifamily Property identified in Table 2 of the Rate and Method multiplied by the Assigned Special Tax for Multifamily Property shown in the Rate and Method as increased in accordance with the Rate and Method, divided by (y) the number of RDUs of Multifamily Property within such Final Map.

(v) If the number of RDUs of Multifamily Property in a specific Final Map is subsequently changed or modified, then the Backup Special Tax shall be recalculated for each RDU of Multifamily Property within the changed or modified area of said Final Map such that the modified Backup Special Tax for each such RDU of Multifamily Property within such changed or modified area shall equal the aggregate Backup Special Tax within the changed or modified area prior to the change or modification in such Final Map divided by the number of RDUs of Multifamily Property within such changed or modified area after the change or modification in such Final Map. For a Parcel of Multifamily Property that is not changed or modified by changes or modifications to a Final Map, the Backup Special Tax shall not be recalculated.

Multiple Land Use Property. In some instances a Parcel of Developed Property or Approved Property may be assigned to more than one Land Use Category. The Assigned Special Tax levied on such a Parcel shall be the sum of the Assigned Special Tax levies for all Land Use Categories located on such Parcel. The Backup Special Tax levied on a Parcel shall be the sum of the Backup Special Tax levies that can be imposed on all Land Use Categories located on such Parcel. The Maximum Special Tax levied on a Parcel shall be the sum of the Maximum Special Tax levies that can be imposed on all Land Use Categories located on such Parcel.

For purposes of calculating the Backup Special Tax for each Land Use Category under such circumstances, the Acreage assigned to each Land Use Category shall be based on the proportion of Residential Floor Area or Non-Residential Floor Area that is built for each Land Use Category as compared

with the Total Floor Area built on the Parcel. The Administrator shall determine all allocations made under this section, and all such allocations shall be final.

Prepayment of Special Taxes. The Maximum Special Tax obligation may only be prepaid and permanently satisfied by a Parcel of Developed Property, Approved Property, or Undeveloped Property for which a Building Permit has been issued, or Public Property and/or Property Owners' Association Property that is not Exempt Property pursuant to the Rate and Method. The Maximum Special Tax obligation applicable to such Parcel may be fully prepaid and the obligation of the Parcel to pay the Special Tax permanently satisfied as described in the Rate and Method; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment.

No Special Tax prepayment in full or prepayment in part shall be allowed unless the amount of Maximum Special Taxes, based on the categorization and classification under the Rate and Method of all Parcels on the date of the calculation, that may be levied on Taxable Property in each Fiscal Year commencing with the Fiscal Year of the proposed prepayment is at least equal to the sum of (a) 1.1 times the debt service on the Outstanding Bonds due in the calendar year which commences in such Fiscal Year (assuming a full year's debt service); plus (b) the Administrative Expenses for such Fiscal Year.

In addition, an owner of a Developed Property may partially prepay the Maximum Special Tax as specified in Appendix A — "AMENDED AND RESTATED RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX FOR COMMUNITY FACILITIES DISTRICT NO. 07-2 (CLINTON KEITH) OF THE COUNTY OF RIVERSIDE" herein.

No Obligation of the County Upon Delinquency

The County is under no obligation to transfer any funds of the County into the Special Tax Fund for payment of the principal of or interest on the Bonds if a delinquency occurs in the payment of any Special Taxes. "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Proceeds of Foreclosure Sales" for a discussion of the Community Facilities District's obligation to foreclose on Special Tax liens upon delinquencies.

Coverage and Source of Annual Debt Service

Annual debt service on the Series 2015 Bonds is payable from Net Special Tax Revenues levied and collected on property categorized as Taxable Property in the Community Facilities District in each Fiscal Year. Based on the development status within the Community Facilities District as of April 1, 2015, assuming no delinquencies, the Maximum Special Taxes that could be levied on the owners of all Developed Property and Approved Property within the Community Facilities District in each fiscal year were not less than 110% of debt service due in the corresponding fiscal year on the Series 2015 Bonds plus the Community Facilities District's estimated Administrative Expenses. Assuming no delinquencies, the Fiscal Year 2015-16 Special Tax levy is projected to be paid from approximately 98.14% Developed Property and approximately 1.86% Approved Property, with no Special Tax levy on Undeveloped Property. However, Special Taxes may only be levied within the limits of the Rate and Method and the Act (specifically, the Maximum Special Tax and the requirement under the Act that under no circumstances shall the Special Taxes levied against any Parcel of Residential Property, as defined in the Rate and Method, be increased by more than ten percent (10%) as a consequence of delinquency or default by the owner of any other Parcel within the Community Facilities District). As a result, it is possible that the Community Facilities District may not be able to levy Special Taxes at the full amount of the Maximum Special Tax rates, as a result of high delinquencies. Additional debt service coverage on the Series 2015 Bonds plus estimated Administrative Expenses may be derived from Undeveloped Property. Moreover, the coverage from Maximum Special Taxes from all Taxable Property, including Developed Property, Approved Property and Undeveloped Property, could be reduced to as low as 110% of maximum annual debt service plus estimated Administrative Expenses in the event that the maximum amount of Additional Bonds are issued in accordance with the Indenture, and the coverage from Developed

Property could be reduced substantially. See “— Additional Bonds” below and “SPECIAL RISK FACTORS — Effect of Additional Bonds on Credit Quality.”

Proceeds of Foreclosure Sales

The proceeds of delinquent Special Taxes received following a judicial foreclosure sale of parcels within the Community Facilities District resulting from a landowner’s failure to pay the Special Taxes when due, up to the amount of the delinquent Special Tax lien, are included within the Net Special Tax Revenues pledged to the payment of principal and interest on the Bonds under the Indenture.

Pursuant to Section 53356.1 of the Act, in the event of any delinquency in the payment of any Special Tax or receipt by the Community Facilities District of Special Taxes in an amount which is less than the Special Tax levied, the Board of Supervisors of the County, as the legislative body of the Community Facilities District, may order that Special Taxes be collected by a superior court action to foreclose the lien within specified time limits. In such an action, the real property subject to the unpaid amount may be sold at a judicial foreclosure sale. Under the Act, the commencement of judicial foreclosure following the nonpayment of a Special Tax is not mandatory. However, the Community Facilities District will covenant in the Indenture with and for the benefit of the Owners of the Series 2015 Bonds that the Community Facilities District will commence appropriate judicial foreclosure proceedings against parcels with total Special Tax delinquencies in excess of \$5,000 (not including interest and penalties thereon) by the October 1 following the close of each Fiscal Year in which the last of such Special Taxes were due and will commence appropriate judicial foreclosure proceedings against all parcels with delinquent Special Taxes by the October 1 following the close of each Fiscal Year in which it receives Special Taxes in an amount which is less than 95% of the total Special Taxes levied in such Fiscal Year, and diligently pursue to completion such foreclosure proceedings. However, notwithstanding the foregoing, the Community Facilities District may elect to accept payment from a property owner of at least the enrolled amount but less than the full amount of the penalties, interest, costs and attorneys’ fees related to a Special Tax delinquency, if permitted by law. Additionally, notwithstanding the foregoing, in certain instances the amount of a Special Tax delinquency on a particular parcel is so small that the cost of appropriate foreclosure proceedings will far exceed the Special Tax delinquency and in such cases foreclosure proceedings may be delayed by the Community Facilities District until there are sufficient Special Tax delinquencies accruing to such parcel (including interest and penalties thereon) to warrant the foreclosure proceedings cost. See Appendix C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Covenants” herein.

If foreclosure is necessary and other funds (including amounts in the Reserve Fund) have been exhausted, debt service payments on the Series 2015 Bonds could be delayed until the foreclosure proceedings have ended with the receipt of any foreclosure sale proceeds. Judicial foreclosure actions are subject to the normal delays associated with court cases and may be further slowed by bankruptcy actions, involvement by agencies of the federal government and other factors beyond the control of the County and the Community Facilities District. See “SPECIAL RISK FACTORS — Bankruptcy and Foreclosure Delay” herein. Moreover, no assurances can be given that the real property subject to foreclosure and sale at a judicial foreclosure sale will be sold or, if sold, that the proceeds of such sale will be sufficient to pay any delinquent Special Tax installment. See “SPECIAL RISK FACTORS — Property Values; Value-to-Lien Ratios” herein. Although the Act authorizes the Community Facilities District to cause such an action to be commenced and diligently pursued to completion, the Act does not impose on the Community Facilities District or the County any obligation to purchase or acquire any lot or parcel of property sold at a foreclosure sale if there is no other purchaser at such sale. The Act provides that, in the case of a delinquency, the Special Tax will have the same lien priority as is provided for *ad valorem* taxes.

If the County does purchase such property through a credit bid (which the County has done on occasion in the past but is not obligated to do so), the credit bid is not required to be paid for 24 months.

If the Reserve Fund is depleted and delinquencies in the payment of Special Taxes exist, there could be a default or delay in payments to the Series 2015 Bond owners pending prosecution of foreclosure proceedings and receipt by the Community Facilities District of foreclosure sale proceeds, if any. However, within the limits of the Rate and Method and the Act (specifically, the Maximum Special Tax and the requirement under the Act that under no circumstances shall the Special Taxes levied against any Parcel of Residential Property, as defined in the Rate and Method, be increased by more than ten percent (10%) as a consequence of delinquency or default by the owner of any other Parcel within the Community Facilities District), the Community Facilities District may adjust the Special Taxes levied on all property in future Fiscal Years to provide an amount, taking into account such delinquencies, required to pay debt service on the Bonds and to replenish the Reserve Fund. There is, however, no assurance that the Maximum Special Tax rates will be at all times sufficient to pay the amounts required to be paid on the Bonds by the Indenture.

Special Taxes Are Not Within Teeter Plan

The County has adopted a Teeter Plan as provided for in Section 4701 *et seq.* of the California Revenue and Taxation Code, under which a tax distribution procedure is implemented and secured roll taxes are distributed to taxing agencies within the County on the basis of the tax levy, rather than on the basis of actual tax collections. However, by policy, the County does not include assessments, reassessments and special taxes in its Teeter program. The Special Taxes are not included in the County's Teeter Program.

Tender for Bonds

In accordance with Section 53344.1 of the California Government Code, the Community Facilities District has reserved to itself the right to adopt a policy permitting the tender of Bonds or Additional Bonds in full payment or partial payment of any Special Taxes, provided that the Community Facilities District shall have first received a certificate from an Independent Financial Consultant that the acceptance of such a tender will not result in the Community Facilities District having insufficient Special Tax revenues to pay the principal of and interest on the Series 2015 Bonds and Additional Bonds when due and to pay estimated Administrative Expenses when due.

Special Tax Fund

The Trustee shall establish and maintain a separate fund designated the "Special Tax Fund." As soon as practicable after the receipt by the Community Facilities District of any Special Tax Revenues, the Community Facilities District shall transfer such Special Tax Revenues to the Trustee for deposit in the Special Tax Fund; provided, however, that with respect to any Special Tax Revenues that represent prepaid Special Taxes that are to be applied to the redemption of the Bonds in accordance with the provisions of the Indenture, said prepaid Special Taxes shall be identified as such in a Written Certificate of the Community Facilities District delivered to the Trustee at the time such prepaid Special Taxes are transferred to the Trustee, the portion of such prepaid Special Taxes to be applied to the Redemption Price of the Bonds to be so redeemed shall be identified in such Written Certificate of the Community Facilities District and shall be deposited by the Trustee in the Redemption Fund and the portion of such prepaid Special Taxes to be applied to the payment of interest on the Bonds to be so redeemed shall be identified in such Written Certificate of the Community Facilities District and shall be deposited by the Trustee in the Bond Fund.

Disbursements. Upon receipt of a Written Request of the Community Facilities District, the Trustee shall withdraw from the Special Tax Fund and transfer to the Administrative Expense Fund the amount specified in such Written Request of the Community Facilities District as the amount necessary to be transferred thereto in order to have sufficient amounts available therein to pay Administrative Expenses.

On the Business Day immediately preceding each Interest Payment Date, after having made any requested transfer to the Administrative Expense Fund, the Trustee shall make the following transfers in the following order of priority:

Bond Fund. The Trustee shall withdraw from the Special Tax Fund and transfer to the Bond Fund, Net Special Tax Revenues in the amount, if any, necessary to cause the amount on deposit in the Bond Fund to be equal to the principal and interest due on the Bonds on such Interest Payment Date; and

Reserve Fund. After having made any transfers required to be made pursuant to the preceding paragraph, the Trustee shall withdraw from the Special Tax Fund and transfer to the Reserve Fund, Net Special Tax Revenues in the amount, if any, necessary to cause the amount on deposit in the Reserve Fund to be equal to the Reserve Requirement.

On each September 2, after having made any transfer required to the Administrative Expense Fund, the Bond Fund and the Reserve Fund, as described above, the Trustee shall transfer any remaining amounts in the Special Tax Fund to the Non-Proceeds Account of the Improvement Fund.

Bond Fund

The Trustee will hold the Bond Fund (as defined in the Indenture) for the benefit of the Bond Owners.

On each Interest Payment Date, the Trustee will withdraw from the Bond Fund and pay to the Bond Owners the principal, if any, of and interest on the Bonds then due and payable, including principal due and payable by reason of mandatory sinking fund redemption of such Bonds.

In the event that, on the Business Day prior to an Interest Payment Date, amounts in the Bond Fund are insufficient to pay the principal, if any, of and interest on the Bonds due and payable on such Interest Payment Date, including principal due and payable by reason of mandatory sinking fund redemption of such Bonds, the Trustee shall withdraw from the Reserve Fund, to the extent of any funds therein, the amount of such insufficiency, and shall transfer any amounts so withdrawn to the Bond Fund. In the event that, on an Interest Payment Date, amounts in the Bond Fund are insufficient to pay the principal, if any, of and interest on the Bonds due and payable on such Interest Payment Date, including principal due and payable by reason of mandatory sinking fund redemption of such Bonds, the Trustee shall apply available funds therein in accordance with the provisions of the Indenture relating to the application of Net Special Tax Revenues upon a default. See Appendix C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Events of Default and Remedies — Application of Net Special Tax Revenues After Default.”

Redemption Fund

Moneys in the Redemption Fund shall be set aside and used solely for the purpose of redeeming Bonds in accordance with the Indenture.

Reserve Fund

Certain proceeds of the Series 2015 Bonds will be deposited into the Reserve Fund in an amount equal to the Reserve Requirement (see “SOURCES AND USES OF FUNDS” herein). The Reserve Requirement is defined in the Indenture to mean, as of the date of calculation, an amount equal to the least of (a) 10% of the original aggregate principal amount of the Bonds (excluding Bonds refunded with proceeds of subsequently issued Bonds), (b) the Maximum Annual Debt Service on the Bonds and (c) 125% of the Average Annual Debt Service on the Bonds.

If a portion of Bonds are to be redeemed, a proportionate amount in the Reserve Fund (determined on the basis of the principal of such Bonds to be redeemed and the original principal of such Bonds) will be applied to the redemption of such Bonds; provided, however, that such amount shall be so transferred only if and to the extent that the amount remaining on deposit in the Reserve Fund will be at least equal to the Reserve Requirement (excluding from the calculation thereof said Bonds to be redeemed).

Except as otherwise provided in the Indenture, all amounts deposited in the Reserve Fund shall be used and withdrawn by the Trustee solely for the purpose of making transfers to the Bond Fund in the event of any deficiency at any time in the Bond Fund of the amount then required for payment of the principal of and interest on the Bonds or, in accordance with the provisions of the Indenture, for the purpose of redeeming Bonds. Transfers shall be made from the Reserve Fund to the Bond Fund in the event of a deficiency in the Bond Fund, in accordance with the Indenture.

Moneys in the Reserve Fund will be invested and deposited as described in the Indenture. Subject to the provisions of the Indenture relating to the Rebate Fund, any interest or profits or other income received with respect to investments held in the Reserve Fund will be transferred to the Proceeds Account of the Improvement Fund or the Earnings Fund, as directed by the Indenture, to the extent amounts on deposit on the Reserve Fund exceed the Reserve Requirement.

See Appendix C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Flow of Funds; Investments — Investment of Moneys” for a description of the timing, purpose and manner of disbursements from the Reserve Fund.

Administrative Expense Fund

The Trustee will receive the transfer of Special Taxes from the Community Facilities District from the Special Tax Fund and deposit in the Administrative Expense Fund an amount sufficient to pay Administrative Expenses.

Moneys in the Administrative Expense Fund will not be pledged to payment of debt service on the Bonds.

Improvement Fund

The Trustee will establish and maintain a separate fund designated the “Improvement Fund.” Within the Improvement Fund, the Trustee will establish and maintain a separate account designated the “Proceeds Account” and a separate account designated the “Non-Proceeds Account.” On the Closing Date, the Trustee shall deposit in the Proceeds Account the amount specified in the table under the heading “SOURCES AND USES OF FUNDS.” The moneys in the Proceeds Account will be used and withdrawn by the Trustee from time to time to pay the costs of the Facilities upon submission to the Trustee of a Written Request of the Community Facilities District.

Upon the filing of a Written Certificate of the Community Facilities District stating (i) that the portion of the Facilities to be financed from the Proceeds Account has been completed and that all costs of such Facilities have been paid, or (ii) that such portion of the Facilities has been substantially completed and that all remaining costs of such portion of the Facilities have been determined and specifying the amount to be retained therefor, the Trustee will (A) if the amount remaining in the Proceeds Account (less any such retention) is equal to or greater than \$25,000, transfer the portion of such amount equal to the largest integral multiple of \$5,000 that is not greater than such amount to the Redemption Fund, to be applied to the redemption of Bonds, and (B) after making the transfer, if any, required to be made pursuant to the preceding clause (A), transfer all of the amount remaining in the Proceeds Account (less any such retention) to the Bond Fund, to be applied to the payment of interest on the Bonds.

Moneys in the Improvement Fund will not be pledged to payment of debt service on the Bonds.

Additional Bonds

The Community Facilities District may at any time after the issuance and delivery of the Series 2015 Bonds issue Additional Bonds in an aggregate amount not to exceed \$60,000,000, including the Outstanding

Series 2015 Bonds, payable from Net Special Tax Revenues secured by a lien and charge upon such amounts equal to the lien and charge securing the Outstanding Series 2015 Bonds. Additional Bonds may be issued for the purpose of funding additional Facilities costs, for the purpose of refunding all or a portion of the Series 2015 Bonds or any Additional Bonds then Outstanding, for providing funds to pay costs of issuance incurred in connection with the issuance of such Additional Bonds, and providing funds to make any deposit to the Reserve Fund required under the Indenture in connection with the issuance of such Additional Bonds. The issuance of Additional Bonds to fund additional Facilities Costs will require an increase in the amount of Special Taxes levied annually, which could result in the need to levy Special Taxes on Undeveloped Property and would reduce the coverage ratio between the Maximum Special Taxes that could be levied annually and the annual levy required to pay debt service on the Series 2015 Bonds and Additional Bonds plus Administrative Expenses. See “— Coverage and Source of Annual Debt Service” above and “SPECIAL RISK FACTORS — Effect of Additional Bonds on Credit Quality.”

The Indenture provides that Additional Bonds may only be issued subject to certain conditions precedent, including but not limited to the Community Facilities District having received a certificate of one or more Independent Consultant, except as otherwise described below, certifying as of the closing date that:

- (i) on the basis of the parcels of land and improvements existing in the Community Facilities District as of the January 1 preceding the proposed issuance of such Additional Bonds, for each Fiscal Year that Bonds will be Outstanding, the amount of the Available Special Taxes that may be levied on all Taxable Property in such Fiscal Year is at least equal to 110% of Annual Debt Service for the Corresponding Bond Year on all Outstanding Bonds; and
- (ii) the sum of (A) the Assessed Value of parcels of Taxable Property for which a Qualified Appraisal Report has not been provided, plus (B) the Appraised Value of parcels of Taxable Property for which a Qualified Appraisal Report has been provided, as such Appraised Value is shown in such Qualified Appraisal Report, is at least three times the sum of (I) the aggregate principal amount of Outstanding Bonds, plus (II) the aggregate principal amount of all fixed lien special assessments levied on parcels of Taxable Property, based upon information from the most recent Fiscal Year for which such information is available, plus (III) the sum of a portion of the aggregate principal amount of Other CFD Bonds, which portion shall be equal to the aggregate principal amount of such Other CFD Bonds multiplied by a fraction, the numerator of which is the amount of special taxes levied for such Other CFD Bonds on parcels of Taxable Property, and the denominator of which is the total amount of special taxes levied for such Other CFD Bonds on all parcels of land (such fraction to be determined based upon the maximum special taxes which could be levied in the year in which maximum annual debt service on such Other CFD Bonds occurs), based upon information from the most recent Fiscal Year for which such information is available.

The receipt of a Certificate described above will not be a condition precedent to the issuance of Additional Bonds if (i) such Additional Bonds are being issued to refund previously issued Bonds, and (ii) Annual Debt Service in each Bond Year calculated for all Bonds that will be outstanding after the issuance of such Additional Bonds, will be less than or equal to Annual Debt Service in such Bond Year calculated for all Bonds which are Outstanding immediately prior to the issuance of such Additional Bonds.

For a complete description of all conditions that must be satisfied prior to issuance of Additional Bonds, see Appendix C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE.”

For purposes of the above, the following capitalized terms have the following meanings.

“Independent Consultant” means any consultant or firm of such consultants selected by the Community Facilities District and who, or each of whom (a) is generally recognized to be qualified in the financial consulting field, (b) is in fact independent and not under the control of the Community Facilities

District or the County, (c) does not have any substantial interest, direct or indirect, with or in the Community Facilities District or the County, or any owner of real property in the Community Facilities District, or any real property in the Community Facilities District, and (d) is not connected with the Community Facilities District or the County as an officer or employee thereof, but who may be regularly retained to make reports to the Community Facilities District or the County.

“Other CFD Bonds” means, as of the date of determination, any and all bonds, notes or other evidences of indebtedness, other than the Bonds, then outstanding issued under the Act and payable at least partially from special taxes to be levied on parcels of Taxable Property.

“Qualified Appraisal Report” means a real estate appraisal report which (a) has been prepared by a Qualified Appraiser, (b) uses a date of value that is no earlier than three months prior to the date on which the value reported in such appraisal report is used in accordance with the provisions of the Indenture, (c) is prepared in accordance with the applicable standards of the Appraisal Institute for such reports, and (d) is prepared in accordance with the applicable guidelines of the California Debt and Investment Advisory Commission for such reports, as such guidelines are in effect on the Closing Date.

“Qualified Appraiser” means a real estate appraiser selected by the Community Facilities District and having an “MAI” designation from the Appraisal Institute.

THE COMMUNITY FACILITIES DISTRICT

General Description

The Community Facilities District consists of a number of noncontiguous properties located mostly in an unincorporated portion of the County, also known as French Valley, with a small portion located in the City of Murrieta. The Community Facilities District is approximately 10 miles north of the City of Temecula, 35 miles southeast of the City of Riverside, 90 miles southeast of the City of Los Angeles, and 60 miles north of the City of San Diego. The Community Facilities District is located east of Interstate 215 which is a major freeway connecting the cities of Riverside and San Diego.

As of April 1, 2015, the Community Facilities District contains 1,479 taxable parcels, of which pursuant to the Rate and Method 1,068 parcels are classified as Developed Property (taxable property for which a final map has been recorded and a building permit has been obtained as of April 1 for the following fiscal year tax levy), 357 parcels are classified as Approved Property (taxable property for which a final map has been recorded but for which a building permit has not been obtained as of April 1 for the following fiscal year special tax levy), and 54 parcels representing approximately 457.02 acres are classified as Undeveloped Property (taxable property for which no final map has been recorded and no building permit obtained as of January 1 for the following fiscal year special tax levy), all as pursuant to the Rate and Method of Apportionment.

Under the Rate and Method, property is classified based on its development status as of April 1, 2015. As of April 1, 2015, the total acreage of the taxable parcels within the Community Facilities District is approximately 704.26 acres, comprised of approximately 180.88 acres of Developed Property, approximately 66.36 acres of Approved Property, and approximately 457.02 acres of Undeveloped Property. As of April 1, 2015, there are 1,068 parcels of Developed Property, comprising 890 single family residential units and 113 multi-family residential units which have been completed and conveyed to individual homeowners as of June 22, 2015, and 65 single family attached and detached units which are either under construction or completed but still owned by the developer developing such units within the Community Facilities District.

Special Taxes from Developed Property and Approved Property are expected to be at least 110% of maximum annual debt service on the Series 2015 Bonds plus administrative expenses of the Community Facilities District. Undeveloped Property is not expected to be levied by the Community Facilities District

until such parcels become Developed Property or Approved Property or Additional Bonds are issued. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Additional Bonds.” However, Additional Bonds may be issued under certain conditions on a parity with the Series 2015 Bonds which could potentially cause part of or all of the Series 2015 Bonds to be expected to be payable from Special Taxes from Undeveloped Property. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Additional Bonds” and “SPECIAL RISK FACTORS — Effect of Additional Bonds on Credit Quality.”

According to the Riverside County Assessor’s Office, as of March 5, 2015, the preliminary assessed value for Fiscal Year 2015-16 for the January 1, 2015 lien date of the property within the Community Facilities District classified as Developed Property for the Fiscal Year 2015-16 Special Tax levy was \$336,414,592. Additionally, the Fiscal Year 2015-16 assessed value of all the taxable property within the Community Facilities District was \$373,245,379 resulting in an estimated assessed value-to-lien ratio of approximately 6.37-to-1 for Developed Property, Approved Property, and Undeveloped Property based on the principal amount of the Series 2015 Bonds (allocated to each parcel of Developed Property and Approved Property within the Community Facilities District based on the proportion of the Fiscal Year 2015-16 Special Taxes on such parcels) and other overlapping debt secured by *ad valorem* taxes, special taxes and assessments and overlapping general obligation debt on such property. The estimated assessed value-to-lien ratio is approximately 8.28-to-1 for Developed Property, Approved Property and Undeveloped Property based on the principal amount of the Series 2015 Bonds and other overlapping debt secured by special taxes and assessments. See “— Estimated Assessed Value-to-Lien Ratios” herein.

Assuming no delinquencies, the Fiscal Year 2015-16 Special Tax levy is projected to be paid from approximately 98.14% Developed Property and approximately 1.86% Approved Property, with no Special Tax levy on Undeveloped Property. Special Taxes from Developed Property and Approved Property are expected to be at least 110% of maximum annual debt service on the Series 2015 Bonds plus administrative expenses of the Community Facilities District. However, Additional Bonds may be issued under certain conditions on a parity with the Series 2015 Bonds which could cause the Series 2015 Bonds to be expected to be payable from Special Taxes on Developed Property, Approved Property and Undeveloped Property. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Additional Bonds” herein.

Utility services for parcels in the Community Facilities District are provided by Southern California Edison Company (electricity), Southern California Gas Company (natural gas), the Eastern Municipal Water District (water and sewer), Verizon (telephone), County of Riverside Sheriff’s Department (police services) and the County of Riverside Fire Department (fire protection).

Description of Authorized Facilities; Facilities Financing Plan

Proceeds of the Series 2015 Bonds and Additional Bonds may be used to finance the Facilities as authorized at the June 18, 2007, election within the Community Facilities District which include: bridge facilities, and appurtenances thereto, street improvements, including grading, paving, curbs and gutters, sidewalks, street signalization and signage, street lights and parkway and landscaping related thereto, and storm drain facilities, environmental mitigation facilities needed in connection therewith, and land, rights-of-way and easements necessary for any of such facilities. Facilities include related administrative expenses, costs related to the acquisition of land for the construction of the road improvements and appurtenances, and related facilities or land or interests in land required to be provided as mitigation of environmental impacts associated with the development of the Facilities.

Land Use Status and Approvals

The Comprehensive General Plan, adopted by the Board of Supervisors on October 7, 2003, divides the County into 19 Community Plan Areas. The Community Facilities District is located in the Sun City / Menifee Valley Area Plan Area. The Comprehensive General Plan establishes foundation components

(Community Development, Rural Community, Agricultural and Open Spaces). The Community Facilities District is within the Community Development component.

The land uses designated for the Community Facilities District include: (i) medium high density residential, (ii) high density residential, (iii) very high density residential, (iv) elementary school, (v) community park, (vi) drainage and (vii) streets.

As of April 1, 2015, final tract maps had been recorded for approximately 12 tracts within 5 separate projects within the Community Facilities District totaling 247.24 acres upon which approximately 1,425 residential units are proposed to be built on the property currently classified as Developed Property and Approved Property (does not include the approximately 457 acres of Undeveloped Property described below). As of April 1, 2015, within the Community Facilities District, there are 890 single family residential units and 113 multi-family residential units which have been completed and conveyed to individual homeowners, and 65 single family attached and detached units which are either under construction or completed but still owned by the developer developing such units. All of such units will be classified as “Developed Property” under the Rate and Method for the Fiscal Year 2015-16.

There are approximately 457 acres of Undeveloped Property within the Community Facilities District. The Community Facilities District cannot predict when or if development of such Undeveloped Property will occur.

Transportation Uniform Mitigation Fee. The projects in the Community Facilities District are required to pay many fees as a condition to develop. In 2003, the County and the various cities in the County adopted a new transportation fee for development, known as the Transportation Uniform Mitigation Fee (“TUMF”), which varies on an annual basis. The latest adjustment to the TUMF was April 1, 2013, which will add approximately \$8,873 to every new single-family residential unit and approximately \$6,213 to each future multi-family unit in the County, subject to credit for a portion, if any, of transportation facility fees imposed by the County or applicable city which relates to facilities encompassed within the new transportation fee. New retail, service and industrial development will also be charged the transportation fee based on the square footage of new development (\$10.49 per square foot for retail, \$4.19 per square foot for service and \$1.73 per

square foot for industrial). The TUMF was approved by the County in February 2003, effective 61 days thereafter. Cities may opt out of the fee, but if they do so, they will not be able to receive any money from Measure A, the County's half-cent sales tax initiative. Extension of the term of Measure A was approved by the voters at the November 5, 2002 election. The half-cent sales tax program is now extended an additional 30 years and will expire in 2039. The TUMF applies to lots within the Community Facilities District. The landowners will receive partial credit against payment of the TUMF based on funding of Facilities by the Community Facilities District.

Environmental Approvals and Permits

As required by various California Environmental Quality Act ("CEQA") approvals, the development projects in the Community Facilities District are required to comply with certain mitigation measures. Certain sensitive plant and animal species, including burrowing owls, were observed within the Community Facilities District and mitigation measures are required to be implemented in accordance with the applicable conditions of approval. Each property owner in the County is required to provide a burrowing owl survey and provide corresponding mitigation measures, including payment of a fee and the relocation of burrowing owls present on its land, prior to obtaining an approved final map from the County. Numerous areas within the County have been identified as containing potential habitat of the Stephen's Kangaroo Rat, which is a listed species. The evidence of habitation by this rat may result in delays or substantial revisions of proposed developments within the County.

The Western Riverside County Multiple Species Habitat Conservation Plan ("MSHCP") was approved by federal and state wildlife agencies and the MSHCP became effective June 22, 2004. At that time, "take" permits were issued authorizing take of certain covered species. The MSHCP is a comprehensive, multi-jurisdictional effort that includes the County and 14 cities within the County. The plan focuses on the conservation of 146 species. The MSHCP consists of a reserve system of approximately 500,000 acres of which 347,000 acres are within public ownership and approximately 153,000 acres are in private ownership. The purchase of the privately owned lands will be funded by an adopted fee.

MSHCP restricted areas are already defined prior to submitting a grading plan, and a condition of approval for development by a developer is monitoring MSHCP compliance. Development may be halted in the event that development extends beyond the approved scope on a project site. The County is unaware of any restrictions affecting development within the Community Facilities District. The Community Facilities District cannot predict the likelihood of a listing of additional species affecting the development of the property in the Community Facilities District. Any future listing of additional species may potentially be addressed by the MSHCP, thereby allowing affected projects to obtain take authorization for those species as well. Furthermore, certain of the developments will need to follow normal permitting requirements for impacts to wetlands and other water courses regulated by the U.S. Army Corps of Engineers and the California Department of Fish and Wildlife.

Estimated Direct and Overlapping Indebtedness

Within the boundaries of the Community Facilities District are numerous overlapping local agencies providing public services. Some of these local agencies have outstanding bonds which are secured by taxes and assessments on the parcels within the Community Facilities District and others have authorized but have not yet issued bonds which, if issued, will be secured by taxes and assessments levied on parcels within the Community Facilities District. Table 2 below sets forth the existing authorized indebtedness payable from taxes and assessments that may be levied on the parcels of Developed Property and Approved Property within the Community Facilities District, prepared by Albert A. Webb Associates, and dated May 15, 2015 (the "Debt Report"). The Debt Report is included for general information purposes only. The Community Facilities District believes the information is current as of its date, but makes no representation as to its completeness or accuracy. Other public agencies and the County may issue additional indebtedness at any time, without the

consent or approval of the Community Facilities District. See “SPECIAL RISK FACTORS — Burden of Parity Liens, Taxes and Other Special Assessments on the Taxable Property.”

The Debt Report generally includes long term obligations sold in the public credit markets by public agencies whose boundaries overlap the boundaries of the Community Facilities District in whole or in part. In many cases long term obligations issued by a public agency are payable only from the general fund or other revenues of such public agency. Additional indebtedness could be authorized by the County or other public agencies at any time.

There are various community facilities districts and assessment districts which have been formed or which are in the process of formation and which have issued bonds or are in the process of issuing bonds which overlap with the Community Facilities District. The issuance of bonds by such community facilities districts and assessment districts will lower the value-to-lien ratio of the property within the Community Facilities District and may lower the ability or willingness of certain landowners in the Community Facilities District to pay the Special Taxes.

Outstanding Land Secured Bonded Debt	8.28:1
Total Outstanding Bonded Debt	6.37:1

⁽¹⁾ Preliminary Fiscal Year 2015-2016 assessed valuation, as of March 5, 2015, from the Riverside County Assessor's Office.

⁽²⁾ According to the Metropolitan Water District, the Metropolitan Water District does not receive parcel count data from the counties, and therefore "Total Parcels Levied" is not available and "Total Levy" is estimated and not exact.

⁽³⁾ Additional bonded debt or available bond authorization may exist but is not shown because a tax was not levied for the referenced fiscal year.

⁽⁴⁾ Per Perris Union High School District, all prior year debt authorization amounts have been used and the only remaining Authorized and Unissued Debt is from the 2012 Measure T Election in the amount of \$110,617,740.

Community Facilities Districts, Overlapping Assessments and Maintenance Community Facilities Districts. The Community Facilities District encompasses multiple Tax Rate Areas, with varying base tax rates. For the Parcels which were classified as Single Family Property Developed Property for Fiscal Year 2014-15, the Assigned Special Tax of Fiscal Year 2015-16 is \$1,229.07 per RDU, and \$931.47 per RDU for Parcels which were classified as Multifamily Property.

The properties that are within other existing community facilities districts and assessment districts, as noted in Table 2 above, will have higher tax rates. Subsequent to the issuance of the Series 2015 Bonds, additional overlapping community facilities districts and/or assessment districts may be formed and may issue bonds, which would increase the total tax burden of any properties in the Community Facilities District included therein. See “SPECIAL RISK FACTORS — Burden of Parity Liens, Taxes and Other Special Assessments on the Taxable Property.”

Expected Tax Burden

Table 3 below sets forth an aggregate property tax bill for developed individually owned residential units in the Community Facilities District. The taxes, assessments and charges set forth in Table 3 are aggregate estimated Fiscal Year 2015-16 taxes, assessments and charges on the 1,003 parcels owned by individuals as of June 22, 2015. Actual individual property tax bills will vary significantly from parcel to parcel depending on the home size and location, and the Tax Rate Area in which the parcel lies. There are numerous overlapping local agencies within the boundaries of the Community Facilities District as shown in Table 2 herein. Based on the aggregate of the taxes, assessments and charges within the Community Facilities District for Fiscal Year 2014-15 (unless otherwise noted), the average total effective tax rate on homes owned by individuals within the Community Facilities District is approximately 1.95% of the preliminary assessed values from the Riverside County Assessor’s Office Fiscal Year 2015-16 assessed valuation. The actual amounts charged may vary and may increase in future years.

Estimated Assessed Value-to-Lien Ratios

Table 4 below sets forth the estimated assessed value-to-lien ratios for various categories of property ownership within the Community Facilities District based upon ownership status as of June 22, 2015, and the preliminary assessed values to be included on the Fiscal Year 2015-16 Assessor's roll. The preliminary assessed value of the taxable parcels within the Community Facilities District for Fiscal Year 2015-16 is \$373,245,379, of which, the preliminary assessed value from property classified as Developed Property for Fiscal Year 2015-16 is \$336,414,592. The estimated assessed value-to-lien ratio of the Developed Property, Approved Property, and Undeveloped Property within the Community Facilities District based upon the preliminary assessed values to be included on the Fiscal Year 2015-16 Assessor's roll and the allocated principal amount of the Series 2015 Bonds, overlapping debt payable from other taxes and assessments levied on the property within the Community Facilities District (but excluding other overlapping general obligation debt within the Community Facilities District) is approximately 8.28-to-1. The estimated assessed value-to-lien ratio of the Developed Property, Approved Property, and Undeveloped Property within the Community Facilities District based upon the preliminary assessed values to be included on the Fiscal Year 2015-16 Assessor's roll and the allocated principal amount of the Series 2015 Bonds, overlapping debt payable from other taxes and assessments levied on the property within the Community Facilities District (and including other overlapping general obligation debt within the Community Facilities District) is approximately 6.37-to-1. Because a parcel's assessed value generally represents the lower of its acquisition cost and adjustments for inflation (but not more than 2% per year) or its current market value, it may not be indicative of the parcel's market value. No assurance can be given that any of the value-to-lien ratios in Table 4 will be maintained during the period of time that the Series 2015 Bonds are outstanding. The Community Facilities District does not have any control over future property values or the amount of additional indebtedness that may be issued in the future by other public agencies, the payment of which is made through the levy of a tax or an assessment with a lien on a parity with the Special Taxes. See "SPECIAL RISK FACTORS — Property Values; Value-to-Lien Ratios."

Table 5 below sets forth the estimated value-to-lien ratios for parcels within the Community Facilities District by various ranges based upon the direct and overlapping debt information included in Table 2.

Largest Taxpayers

For the projected Fiscal Year 2015-16 Special Tax levy, only one property owner within the Community Facilities District is projected to be responsible for more than 1% of the Fiscal Year 2015-16 Special Tax levy. As of June 22, 2015, KB Homes owned 56 parcels of Developed Property on approximately 10.57 acres, and 355 parcels of Approved Property on approximately 65.74 acres. Based on ownership as of June 22, 2015, and development status as of April 1, 2015, KB Homes is projected to be responsible for approximately 11.34% of the projected Fiscal Year 2015-16 Special Tax. KB Homes has not been delinquent in the payment of Special Taxes. A summary of the principal taxpayers within the Community Facilities District is set forth in Table 7 below.

The highest fiscal year end delinquency rate in any of these years was 3.77% for Fiscal Year 2008-09. As of June 1, 2015, there were no remaining delinquencies.

SPECIAL RISK FACTORS

In addition to the other information contained in this Official Statement, the following risk factors should be carefully considered in evaluating the investment quality of the Series 2015 Bonds. The Community Facilities District cautions prospective investors that this discussion does not purport to be comprehensive or definitive and does not purport to be a complete statement of all factors which may be considered as risks in evaluating the credit quality of the Series 2015 Bonds. The occurrence of one or more of the events discussed herein could adversely affect the ability or willingness of property owners in the Community Facilities District to pay their Special Taxes when due. Any such failure to pay Special Taxes could result in the inability of the Community Facilities District to make full and punctual payments of debt service on the Series 2015 Bonds. In addition, the occurrence of one or more of the events discussed herein could adversely affect the value of the property in the Community Facilities District.

Risks of Real Estate Secured Investments Generally

The Series 2015 Bondowners will be subject to the risks generally incident to an investment secured by real estate, including, without limitation, (i) adverse changes in local market conditions, such as changes in the market value of real property in the vicinity of the Community Facilities District, the supply of or demand for competitive properties in such area, and the market value of residential property in the event of sale or foreclosure, (ii) changes in real estate tax rates and other operating expenses, governmental rules (including, without limitation, zoning laws and laws relating to endangered species and hazardous materials) and fiscal policies and (iii) natural disasters (including, without limitation, drought, earthquakes, fires, floods, droughts and landslides), which may result in uninsured losses.

No assurance can be given that the individual property owners will pay Special Taxes in the future or that they will be able to pay such Special Taxes on a timely basis. See “— Bankruptcy and Foreclosure Delay” below, for a discussion of certain limitations on the Community Facilities District’s ability to pursue judicial proceedings with respect to delinquent parcels.

Concentration of Ownership

Based on the development status within the Community Facilities District as of April 1, 2015 and ownership status as of June 22, 2015, KB Homes is projected to be responsible for approximately 11.34% of the projected Fiscal Year 2015-16 Special Tax levy. No other property owner is projected to be responsible for more than 0.63% of the projected Fiscal Year 2015-16 Special Tax levy.

KB Homes owns 56 Developed parcels and 355 Approved parcels, for a total of 411 Parcels. See “THE COMMUNITY FACILITIES DISTRICT — Largest Taxpayers.” Until further development within the Community Facilities District occurs, if KB Homes is unwilling or unable to pay the Special Tax when due, a potential shortfall in the Special Tax Fund could occur, which would result in the depletion of the Reserve Fund prior to reimbursement from the resale of foreclosed property or payment of the delinquent Special Taxes and, consequently, a delay or failure in payments of the principal of or interest on the Series 2015 Bonds.

No property owner is obligated in any manner to continue to own or develop any of the land it presently owns within the Community Facilities District. The Special Taxes are not a personal obligation of any owner, developer or merchant builder of the parcels, and the Community Facilities District can offer no assurance that any current owner or any future owner will be financially able to pay such installments or that it will choose to pay even if financially able to do so.

Until the construction and sale of a substantial number of additional units in the Community Facilities District to individual homeowners, the receipt of the Special Taxes is dependent on the willingness and the ability of KB Homes to pay the Special Taxes when due. Failure of KB Homes, or any successor, to pay the annual Special Taxes when due could result in a draw on the Reserve Fund and ultimately a default in

payments of the principal of, and interest on, the Series 2015 Bonds, when due. No assurance can be given that KB Homes, its successors, or individual homeowners, will pay Special Taxes in the future or that they will be able to pay such Special Taxes on a timely basis.

Failure to Develop Properties

Continued development of property within the Community Facilities District may be subject to economic considerations and unexpected delays, disruptions and changes which may affect the willingness or ability of a property owner to pay the Special Taxes when due. Land development is also subject to comprehensive federal, State and local regulations. Approval is required from various agencies in connection with the layout and design of developments, the nature and extent of improvements, construction activity, land use, zoning, school and health requirements, as well as numerous other matters. It is possible that the approvals necessary to complete development of the property within the Community Facilities District will not be obtained, or if obtained, will not be obtained on a timely basis. Failure to obtain any such approval or to satisfy such governmental requirements could adversely affect land development operations within the Community Facilities District. In addition, there is a risk that future governmental restrictions on land development within the Community Facilities District will be enacted, either directly by a governmental entity with jurisdiction or by the voters through the exercise of the initiative power.

The failure to complete the development of homes and the required infrastructure in the Community Facilities District or substantial delays in the completion of the development of homes and the required infrastructure for the development due to litigation, the inability to obtain required funding, failure to obtain necessary governmental approval or other causes may reduce the value of the property within the Community Facilities District and increase the length of time during which Special Taxes will be payable from Approved Property and Undeveloped Property, and may affect the willingness and ability of the property owners within the Community Facilities District to pay the Special Taxes when due.

Bond Owners should assume that any event that significantly impacts the ability to develop land in the Community Facilities District would cause the property values within the Community Facilities District to decrease substantially and could affect the willingness and ability of the property owners within the Community Facilities District to pay the Special Taxes when due.

Special Taxes Are Not Personal Obligations

The current and future owners of land within the Community Facilities District are not personally liable for the payment of the Special Taxes. Rather, the Special Tax is an obligation only of the land within the Community Facilities District. In the event of foreclosure following delinquency, if the value of the development parcel within the Community Facilities District is not sufficient to fully secure the Special Tax, then the Community Facilities District has no recourse against the landowner under the laws by which the Special Tax has been levied and the Series 2015 Bonds have been issued.

The Series 2015 Bonds Are Special Obligations of the Community Facilities District

The Series 2015 Bonds are not general obligations of the County or the Community Facilities District, but are special obligations of the Community Facilities District payable solely from the Net Special Tax Revenues and amounts held in the Special Tax Fund, the Bond Fund and the Reserve Fund under the Indenture.

The Community Facilities District has no obligation to pay principal of and interest on the Series 2015 Bonds in the event Special Tax collections are delinquent, other than from amounts, if any, on deposit in the Reserve Fund or funds derived from the tax sale or foreclosure and sale of parcels on which levies of the Special Tax are delinquent. Neither the County nor the Community Facilities District is obligated to advance

funds from any source other than amounts pledged under the Indenture to pay such debt service on the Series 2015 Bonds.

Property Values; Value-to-Lien Ratios

The value of the property within the Community Facilities District is a critical factor in determining the investment quality of the Series 2015 Bonds. If a property owner is delinquent in the payment of Special Taxes, the Community Facilities District's only remedy is to commence foreclosure proceedings against the delinquent parcel in an attempt to obtain funds to pay the Special Taxes. Reductions in property values due to a downturn in the economy, physical events such as earthquakes, fires, floods, or droughts, stricter land use regulations, delays in development or other events may adversely impact the security underlying the Special Taxes. There is no assurance that assessed values will not decline in the future. See "THE COMMUNITY FACILITIES DISTRICT — Estimated Assessed Value-to-Lien Ratios" herein.

The assessed values set forth in this Official Statement do not represent market values arrived at through an appraisal process and generally reflect only the sales price of a parcel when acquired by its current owner, adjusted annually by an amount determined by the Riverside County Assessor, generally not to exceed an increase of more than 2.00% per fiscal year. No assurance can be given that a parcel could actually be sold for its assessed value.

No assurance can be given that the estimated value-to-lien ratios as set forth in Tables 2 through 7 will be maintained over time. As discussed herein, many factors which are beyond the control of the Community Facilities District could adversely affect the property values within the Community Facilities District. The Community Facilities District does not have any control over the amount of additional indebtedness that may be issued by other public agencies, the payment of which through the levy of a tax or an assessment is on a parity with the Special Taxes. A decrease in the assessed values in the Community Facilities District or an increase in the indebtedness secured by taxes and amounts with parity liens on property in the Community Facilities District, or both, could result in a lowering of the value-to-lien ratio of the property in the Community Facilities District. See "THE COMMUNITY FACILITIES DISTRICT — Estimated Assessed Value-to-Lien Ratios" and "SPECIAL RISK FACTORS — Burden of Parity Liens, Taxes and Other Special Assessments on the Taxable Property."

No assurance can be given that any bid will be received for a parcel with delinquent Special Taxes offered for sale at foreclosure or, if a bid is received, that such bid will be sufficient to pay all delinquent Special Taxes. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Proceeds of Foreclosure Sales."

Burden of Parity Liens, Taxes and Other Special Assessments on the Taxable Property

While the Special Taxes are secured by the Taxable Property, the Taxable Property is subject to parity tax liens and assessments. Table 2 in the section entitled "THE COMMUNITY FACILITIES DISTRICT — Estimated Direct and Overlapping Indebtedness" states the presently outstanding amount of governmental obligations (with stated exclusions), the tax or assessment for which is or may become an obligation of one or more of the parcels of Taxable Property and furthermore states the additional amount of general obligation bonds the tax for which, if and when issued, may become an obligation of one or more of the parcels of Taxable Property.

Various community facilities districts and assessment districts have been formed that overlap portions of the Community Facilities District. See Table 2 herein. One or more improvement districts or community facilities districts may be formed to finance costs relating to certain public facilities and other governmental obligations may be authorized and undertaken or issued in the future, the tax, assessment or charge for which may become an obligation of one or more of the parcels of Taxable Property and may be secured by a lien on a parity with the lien of the Special Tax securing the Series 2015 Bonds.

In general, as long as the Special Tax is collected on the County tax roll, the Special Tax and all other taxes, assessments and charges also collected on the tax roll are on a parity, that is, are of equal priority. Questions of priority become significant when collection of one or more of the taxes, assessments or charges is sought by some other procedure, such as foreclosure and sale. In the event of proceedings to foreclose for delinquency of Special Taxes securing the Series 2015 Bonds, the Special Tax may be subordinate only to certain governmental liens. Otherwise, in the event of such foreclosure proceedings, the Special Taxes will generally be on a parity with the other taxes, assessments and charges, and will share the proceeds of such foreclosure proceedings on a pro-rata basis. Although the Special Taxes will generally have priority over non-governmental liens on a parcel of Taxable Property, regardless of whether the non-governmental liens were in existence at the time of the levy of the Special Tax or not, this result may not apply in the case of bankruptcy.

While governmental taxes, assessments and charges are a common claim against the value of a parcel of Taxable Property, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value that may be realized to pay the Special Tax is a claim with regard to a hazardous substance. See “— Hazardous Substances” below.

The property owners within the Community Facilities District may have formed or are in the process of forming or plan to form additional community facilities districts with other public agencies for issuing bonds. The special tax liens securing these other bonds will be on a parity with the Special Tax liens securing the Series 2015 Bonds in the event of foreclosure. In such an event, the land in the Community Facilities District will have additional debt levied on it and such an event may decrease the likelihood of the ability or willingness of the landowners in the Community Facilities District to pay the Special Taxes.

Effect of Additional Bonds on Credit Quality

The Community Facilities District may at any time after the issuance and delivery of the Series 2015 Bonds issue Additional Bonds in an aggregate amount not to exceed \$60,000,000 (including the Series 2015 Bonds) payable from the Net Special Tax Revenues and secured by a lien and charge upon such amounts equal to the lien and charge securing the Outstanding Series 2015 Bonds and any other Additional Bonds theretofore issued under the Indenture or under any Supplemental Indenture for the purpose of funding additional Facilities costs or for the purpose of refunding all or a portion of the Series 2015 Bonds or any Additional Bonds then Outstanding. Additional Bonds may only be issued subject to specific conditions, which are set forth in the Indenture and with which the Community Facilities District must be in compliance. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Additional Bonds.”

The Indenture permits the issuance of Additional Bonds. It is likely that, if Additional Bonds are issued, the value-to-lien ratio for certain parcels subject to the Special Tax will be lower than the ratios in Tables 2 through 5. If Additional Bonds are issued, the owners of the Series 2015 Bonds will not have any prior claim on the Special Taxes levied on the property within the Community Facilities District, but will have an equal claim with the owners of the Additional Bonds on the Net Special Tax Revenues collected within the Community Facilities District. Additional Bonds could also be issued at a time where certain of the property upon which Special Taxes will be levied is undeveloped. This could result in Owners of the Series 2015 Bonds having to rely upon the payment of Special Taxes from Undeveloped Property.

Disclosure to Future Purchasers

The Community Facilities District has recorded a Notice of Special Tax Lien, in the Office of the Riverside County Recorder on June 21, 2007 as Document No. 2007-0405337. While title companies normally refer to such notices in title reports, there can be no guarantee that such reference will be made or, if made, that a prospective purchaser or lender will consider such Special Tax obligation in the purchase of a parcel of land or a home in the Community Facilities District or the lending of money thereon. The Act requires the subdivider (or its agent or representative) of a subdivision to notify a prospective purchaser or long-term lessor of any lot, parcel, or unit subject to a Mello-Roos special tax of the existence and maximum

amount of such special tax using a statutorily prescribed form. California Civil Code Section 1102.6b requires that in the case of transfers other than those covered by the above requirement, the seller must at least make a good faith effort to notify the prospective purchaser of the special tax lien in a format prescribed by statute. Failure by an owner of the property to comply with the above requirements, or failure by a purchaser or lessor to consider or understand the nature and existence of the Special Tax, could adversely affect the willingness or ability of the purchaser or lessor to pay the Special Tax when due.

Local, State and Federal Land Use Regulations

There can be no assurance that land development operations within the Community Facilities District will not be adversely affected by future government policies, including, but not limited to, governmental policies which directly or indirectly restrict or control development. During the past several years, citizens of a number of local communities in California have placed measures on the ballot designed to control the rate of future development. During the past several years, state and federal regulatory agencies have significantly expanded their involvement in local land use matters through increased regulatory enforcement of various environmental laws, including the Endangered Species Act, the Clean Water Act and the Clear Air Act, among others. Such regulations can substantially impair the rate and amount of development without requiring just compensation unless the effect of the regulation is to deny all economic use of the affected property. Series 2015 Bondowners should assume that any event that significantly impacts the ability to construct homes on land in the Community Facilities District could cause the land values within the Community Facilities District to decrease substantially and could affect the willingness and ability of the owners of land to pay the Special Taxes when due or to proceed with development of land in the Community Facilities District. See “— Failure to Develop Properties” above.

Water Availability

All of the Developed Property within the Community Facilities District has access to sufficient water for its intended use. However, the continued development of the land within the Community Facilities District is dependent upon the availability of water. The Community Facilities District receives a significant portion of its water from Eastern Municipal Water District (“EMWD”). EMWD is now in Stage 4 of its Water Shortage Contingency Plan and is asking all its customers to reduce outdoor watering by 50%. Customer impact will vary depending on conservation efforts. In addition to requiring that EMWD customers reduce their outdoor watering by 50%, EMWD has also reduced its conservation factor (“CF”) for new construction from 0.7 CF to 0.5 CF, which requires that plants for new construction homes be on a drip system with minimal turf. Such conservation factor could be adjusted for justified functional turf purposes only with pre-approval from EMWD. However, EMWD has no current plans to restrict or delay additional water connections for new construction. See “— Factors Affecting Parcel Values and Aggregate Value — *State of Emergency Proclamation Regarding Drought.*”

The Community Facilities District believes that EMWD will be able to provide water to the Community Facilities District to permit the construction of the additional planned units within the Community Facilities District. No assurance can be given, however, that water service will be available and the lack of water availability could adversely affect future development in the Community Facilities District. A slowdown or stoppage in future development within the Community Facilities District may reduce the willingness or ability of owners of such property being developed to make Special Tax payments on undeveloped property and could greatly reduce the value of such property in the event it has to be foreclosed upon.

Endangered and Threatened Species

It is illegal to harm or disturb species that have been listed as threatened or endangered by the U.S. Fish & Wildlife Service under the Federal Endangered Species Act or by the California Fish & Game Commission under the California Endangered Species Act without a permit. Thus, the presence of an

endangered plant or animal could delay development of or reduce the value of undeveloped property in the Community Facilities District. Failure to develop the undeveloped property in the Community Facilities District or substantial delays in the completion of the development of the property may increase the amount of Special Taxes to be paid by the owners of undeveloped property and affect the willingness and ability of the owners of property within the Community Facilities District to pay the Special Taxes when due.

Certain species covered by the County's MSHCP are present within the undeveloped property within the Community Facilities District. Development will proceed subject to compliance with the MSHCP and all other applicable federal and state requirements. See "THE COMMUNITY FACILITIES DISTRICT — Environmental Approvals and Permits."

Hazardous Substances

While governmental taxes, assessments, and charges are a common claim against the value of Taxable Property, other less common claims may occur. One of the most serious in terms of the potential reduction in the value of the parcels within the Community Facilities District is a claim with regard to hazardous substances. In general, the owners and operators of parcels within the Community Facilities District may be required by law to remedy conditions of the parcels related to the releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, sometimes referred to as "CERCLA" or the "Superfund Act," is the most well-known and widely applicable of these laws, but California laws with regard to hazardous substances are also stringent and similar. Under many of these laws, the owner (or operator) is obligated to remedy a hazardous substances condition of a property whether or not the owner (or operator) has anything to do with creating or handling the hazardous substance. The effect, therefore, should any parcel within the Community Facilities District be affected by a hazardous substance, would be to reduce the marketability and value of the parcel by the costs of remedying the condition, because the owner (or operator) is obligated to remedy the condition. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling or disposing of it. All of these possibilities could significantly affect the financial and legal ability of a property owner to develop the affected parcel or other parcels, as well as the value of the property that is realizable upon a delinquency and foreclosure.

The assessed values of the property within the Community Facilities District do not take into account the possible reduction in marketability and value of any of the parcels of Taxable Property by reason of the possible liability of the owner (or operator) for the remedy of a hazardous substance condition of the parcel. The Community Facilities District has not independently verified and is not aware that any of the owners (or operators) of property within the Community Facilities District have such a current liability with respect to any of the parcels of Taxable Property, except as expressly noted. However, it is possible that such liabilities do currently exist and that the Community Facilities District is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the parcels of Taxable Property resulting from the existence, currently, on the parcel of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling or disposing of it. All of these possibilities could significantly affect the value of a Taxable Property that is realizable upon a delinquency.

Insufficiency of the Special Tax

The principal source of payment of principal of and interest on the Series 2015 Bonds is the proceeds of the annual levy and collection of the Special Tax against property within the Community Facilities District. The annual levy of the Special Tax is subject to the maximum tax rates authorized and under the Rate and Method, under no circumstances shall the Special Taxes levied against any Parcel of Developed Property that

is Residential Property be increased as a consequence of delinquency or default by the owner of any other Parcel or Parcels within the Community Facilities District by more than ten percent (10%). The levy cannot be made at a higher rate even if the failure to do so means that the estimated proceeds of the levy and collection of the Special Tax, together with other available funds, will not be sufficient to pay debt service on the Series 2015 Bonds. Other funds which might be available include funds derived from the payment of penalties on delinquent Special Taxes and funds derived from the tax sale or foreclosure and sale of parcels on which levies of the Special Tax are delinquent.

The levy of the Special Tax will rarely, if ever, result in a uniform relationship between the value of particular Taxable Property and the amount of the levy of the Special Tax against such parcels. Thus, there will rarely, if ever, be a uniform relationship between the value of such parcels and the proportionate share of debt service on the Series 2015 Bonds, and certainly not a direct relationship.

The Special Tax levied in any particular tax year on a Taxable Property is based upon the revenue needs of the Community Facilities District and application of the Rate and Method. Application of the Rate and Method will, in turn, be dependent upon certain development factors with respect to each Taxable Property by comparison with similar development factors with respect to the other Taxable Property within the Community Facilities District. Thus, in addition to annual variations of the revenue needs from the Special Tax, the following are some of the factors which might cause the levy of the Special Tax on any particular Taxable Property to vary from the Special Tax that might otherwise be expected:

(1) Failure of the owners of Taxable Property to pay the Special Tax and delays in the collection of or inability to collect the Special Tax by tax sale or foreclosure and sale of the delinquent parcels, thereby resulting in an increased tax burden on the remaining parcels of Taxable Property.

(2) Reduction in the amount of Taxable Property, for such reasons as acquisition of Taxable Property by a government agency and failure of the government agency to pay the Special Tax based upon a claim of exemption or, in the case of the federal government or an agency thereof, immunity from taxation, thereby resulting in an increased tax burden on the remaining parcels of Taxable Property.

Except as set forth above under “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS” herein, the Indenture provides that the Special Tax is to be collected in the same manner as ordinary *ad valorem* property taxes are collected and, except as provided in the special covenant for foreclosure described in “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Proceeds of Foreclosure Sales” and in the Act, is subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for *ad valorem* property taxes. In addition to the foregoing, if taxes are unpaid for a period of five years or more, the property is subject to sale by the County.

In the event that sales or foreclosures of property are necessary, there could be a delay in payments to Beneficial Owners of Series 2015 Bonds pending such sales or the prosecution of foreclosure proceedings and receipt by the Community Facilities District of the proceeds of sale if the Reserve Account is depleted. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Proceeds of Foreclosure Sales.”

Special Tax Delinquencies

Under provisions of the Act, the Special Taxes, from which funds necessary for the payment of principal of, and interest on, the Series 2015 Bonds are derived, are customarily billed to the properties within the Community Facilities District on the *ad valorem* property tax bills sent to owners of such properties. The Act currently provides that such Special Tax installments are due and payable, and bear the same penalties and interest for non-payment, as do *ad valorem* property tax installments.

See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Proceeds of Foreclosure Sales,” for a discussion of the provisions which apply, and procedures which the Community Facilities District is obligated to follow under the Indenture, in the event of delinquencies in the payment of Special Taxes. See “SPECIAL RISK FACTORS — Bankruptcy and Foreclosure Delay” below, for a discussion of the policy of the Federal Deposit Insurance Corporation regarding the payment of special taxes and assessments and limitations on the Community Facilities District’s ability to foreclose on the lien of the Special Taxes in certain circumstances.

Exempt Properties

Certain properties are exempt from the Special Tax in accordance with the Rate and Method. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Rate and Method” herein. In addition, the Act provides that properties or entities of the state, federal or local government are exempt from the Special Tax; provided, however, that property within the Community Facilities District acquired by a public entity through a negotiated transaction or by gift or devise, which is not otherwise exempt from the Special Tax, will continue to be subject to the Special Tax. It is possible that property acquired by a public entity following a tax sale or foreclosure based upon failure to pay taxes could become exempt from the Special Tax. In addition, although the Act provides that if property subject to the Special Tax is acquired by a public entity through eminent domain proceedings, the obligation to pay the Special Tax with respect to that property is to be treated as if it were a special assessment, the constitutionality and operation of these provisions of the Act have not been tested, meaning that such property could become exempt from the Special Tax. In the event that additional property is dedicated to the County or other public entities, this additional property might become exempt from the Special Tax.

The Act further provides that no other properties or entities are exempt from the Special Tax unless the properties or entities are expressly exempted in a resolution of consideration to levy a new special tax or to alter the rate or method of apportionment of an existing special tax.

Depletion of Reserve Fund

The Community Facilities District covenants in the Indenture to maintain the Reserve Fund in an amount equal to the Reserve Requirement. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Reserve Fund.” Funds in the Reserve Fund may be used to pay principal of and interest on the Series 2015 Bonds in the event the proceeds of the levy and the collection of the Special Taxes against the property in the Community Facilities District is not sufficient. If the Reserve Fund is depleted, the funds can be replenished from the proceeds of the levy and collection of the Special Tax that are in excess of the amount required to pay Administrative Expenses and principal and interest on the Series 2015 Bonds. However, no replenishment of the Reserve Fund from the proceeds of the Special Taxes can occur as long as the proceeds that are collected from the levy of the Special Taxes at the maximum tax rates, together with available funds, remain insufficient to pay all such amounts. Thus, it is possible that the Reserve Fund will be depleted and not replenished by the levy of the Special Taxes.

Potential Delay and Limitations in Foreclosure Proceedings

The payment of property owners’ taxes and the ability of the Community Facilities District to foreclose the lien of a delinquent unpaid Special Tax pursuant to its covenant to pursue judicial foreclosure proceedings, may be limited by bankruptcy, insolvency or other laws generally affecting creditors’ rights or by the laws of the State relating to judicial foreclosure. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Proceeds of Foreclosure Sales” and “SPECIAL RISK FACTORS — Bankruptcy and Foreclosure Delay” herein. In addition, the prosecution of a foreclosure could be delayed due to many reasons, including crowded local court calendars or lengthy procedural delays.

The ability of the Community Facilities District to collect interest and penalties specified by State law and to foreclose against properties having delinquent Special Tax installments may be limited in certain respects with regard to properties in which the Federal Deposit Insurance Corporation (the “FDIC”) has or obtains an interest. The FDIC could obtain such an interest by taking over a financial institution which has made a loan which is secured by property within the Community Facilities District. See “SPECIAL RISK FACTORS — FDIC/Federal Government Interests in Properties.”

In addition, potential investors should be aware that judicial foreclosure proceedings are not summary remedies and can be subject to significant procedural and other delays caused by crowded court calendars and other factors beyond control of the Community Facilities District or the County. Potential investors should assume that, under current conditions, it is estimated that a judicial foreclosure of the lien of Special Taxes will take up to two or three years from initiation to the lien foreclosure sale. At a Special Tax lien foreclosure sale, each parcel will be sold for not less than the “minimum bid amount” which is equal to the sum of all delinquent Special Tax installments, penalties and interest thereon, costs of collection (including reasonable attorneys’ fees), post-judgment interest and costs of sale. Each parcel is sold at foreclosure for the amounts secured by the Special Tax lien on such parcel and multiple parcels may not be aggregated in a single “bulk” foreclosure sale. If any parcel fails to obtain a “minimum bid,” the Community Facilities District may, but is not obligated to, seek superior court approval to sell such parcel at an amount less than the minimum bid. Such superior court approval requires the consent of a majority of the aggregate principal amount of the outstanding Series 2015 Bonds.

Delays and uncertainties in the Special Tax lien foreclosure process create significant risks for Beneficial Owners of the Series 2015 Bonds. High rates of special tax payment delinquencies which continue during the pendency of protracted Special Tax lien foreclosure proceedings, could result in the rapid, total depletion of the Reserve Fund prior to replenishment from the resale of property upon foreclosure. In that event, there could be a default in payment of the principal of, and interest on, the Series 2015 Bonds. See “— Concentration of Ownership” above.

Funds Invested in the County Investment Pool

On January 24, 1996, the United States Bankruptcy Court for the Central District of California held that a State statute providing for a priority of distribution of property held in trust conflicted with, and was preempted by, federal bankruptcy law. In that case, the court addressed the priority of the disposition of moneys held in a county investment pool upon bankruptcy of the county. Following payment of the Special Taxes to the Community Facilities District, such funds may be invested in the name of the Community Facilities District for a period of time in the County investment pool. In the event of a petition of or the adjustment of County debts under Chapter 9 of the Federal Bankruptcy Code, a court might hold that the Beneficial Owners of the Series 2015 Bonds do not have a valid and/or prior lien on the Special Taxes or debt service payments where such amounts are deposited in the County investment pool and may not provide the Beneficial Owners of the Series 2015 Bonds with a priority interest in such amounts. In that circumstance, unless the Beneficial Owners of the Series 2015 Bonds could “trace” the funds that have been deposited in the County investment pool, the Beneficial Owners of the Series 2015 Bonds would be unsecured (rather than secured) creditors of the County. There can be no assurance that the Beneficial Owners of the Series 2015 Bonds could successfully so trace the Special Taxes or debt service payments.

No Acceleration Provision

The Series 2015 Bonds do not contain a provision allowing for the acceleration of the Series 2015 Bonds in the event of a payment default or other default under the terms of the Series 2015 Bonds or the Indenture or in the event interest on the Series 2015 Bonds becomes included in gross income for federal income tax purposes. Pursuant to the Indenture and further subject to the prior lien of owners of Series 2015 Bonds, an owner is given the right for the equal benefit and protection of all owners of a series similarly

situated to pursue certain remedies described in Appendix C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE.”

Bankruptcy and Foreclosure Delay

Bankruptcy, insolvency and other laws generally affecting creditors rights could adversely impact the interests of Beneficial Owners of the Series 2015 Bonds. The payment of property owners’ taxes and the ability of the Community Facilities District to foreclose the lien of a delinquent unpaid Special Tax pursuant to its covenant to pursue judicial foreclosure proceedings may be limited by bankruptcy, insolvency or other laws generally affecting creditors’ rights or by the laws of the State relating to judicial foreclosure. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Proceeds of Foreclosure Sales.” In addition, the prosecution of a foreclosure could be delayed due to many reasons, including crowded local court calendars or lengthy procedural delays.

Although a bankruptcy proceeding would not cause the Special Taxes to become extinguished, the amount of any Special Tax lien could be modified if the value of the property falls below the value of the lien. If the value of the property is less than the lien, such excess amount could be treated as an unsecured claim by the bankruptcy court. In addition, bankruptcy of a property owner could result in a delay in prosecuting Superior Court foreclosure proceedings. Such delay would increase the likelihood of a delay or default in payment of delinquent Special Tax installments and the possibility of delinquent Special Tax installments not being paid in full.

On July 30, 1992, the United States Court of Appeals for the Ninth Circuit issued its opinion in a bankruptcy case entitled In re Glasply Marine Industries. In that case, the court held that *ad valorem* property taxes levied by Snohomish County in the State of Washington after the date that the property owner filed a petition for bankruptcy were not entitled to priority over a secured creditor with a prior lien on the property. Although the court upheld the priority of unpaid taxes imposed before the bankruptcy petition, unpaid taxes imposed after the filing of the bankruptcy petition were declared to be “administrative expenses” of the bankruptcy estate, payable after all secured creditors. As a result, the secured creditor was able to foreclose on the property and retain all the proceeds of the sale except the amount of the pre-petition taxes.

The Bankruptcy Reform Act of 1994 (the “Bankruptcy Reform Act”) included a provision which excepts from the Bankruptcy Code’s automatic stay provisions, “the creation of a statutory lien for an *ad valorem* property tax imposed by . . . a political subdivision of a state if such tax comes due after the filing of the petition [by a debtor in bankruptcy court].” This amendment effectively makes the Glasply holding inoperative as it relates to *ad valorem* real property taxes. However, it is possible that the original rationale of the Glasply ruling could still result in the treatment of post-petition special taxes as “administrative expenses,” rather than as tax liens secured by real property, at least during the pendency of bankruptcy proceedings.

According to the court’s ruling, as administrative expenses, post petition taxes would be paid, assuming that the debtor had sufficient assets to do so. In certain circumstances, payment of such administrative expenses may be allowed to be deferred. Once the property is transferred out of the bankruptcy estate (through foreclosure or otherwise), it would at that time become subject to current *ad valorem* taxes.

The Act provides that the Special Taxes are secured by a continuing lien which is subject to the same lien priority in the case of delinquency as *ad valorem* taxes. No case law exists with respect to how a bankruptcy court would treat the lien for Special Taxes levied after the filing of a petition in bankruptcy. Glasply is controlling precedent on bankruptcy courts in the State. If the Glasply precedent was applied to the levy of the Special Taxes, the amount of Special Taxes received from parcels whose owners declare bankruptcy could be reduced.

The various legal opinions to be delivered concurrently with the delivery of the Series 2015 Bonds (including Bond Counsel’s approving legal opinion) will be qualified, as to the enforceability of the various

legal instruments, by moratorium, bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

Moreover, the ability of the Community Facilities District to commence and prosecute enforcement proceedings may be limited by bankruptcy, insolvency and other laws generally affecting creditors' rights (such as the Soldiers' and Sailors' Relief Act of 1940) and by the laws of the State relating to judicial foreclosure.

FDIC/Federal Government Interests in Properties

The ability of the Community Facilities District to collect interest and penalties specified by the Act and to foreclose the lien of delinquent Special Taxes may be limited in certain respects with regard to parcels in which the FDIC, or other federal government entities such as Fannie Mae, Freddie Mac, the Drug Enforcement Agency, the Internal Revenue Service or other federal agency, has or obtains an interest.

In the case of FDIC, in the event that any financial institution making a loan which is secured by parcels is taken over by the FDIC and the applicable Special Tax is not paid, the remedies available to the Community Facilities District may be constrained. The FDIC's policy statement regarding the payment of state and local real property taxes (the "Policy Statement") provides that taxes other than *ad valorem* taxes which are secured by a valid lien in effect before the FDIC acquired an interest in a property will be paid unless the FDIC determines that abandonment of its interests is appropriate. The Policy Statement provides that the FDIC generally will not pay installments of non-*ad valorem* taxes which are levied after the time the FDIC acquires its fee interest, nor will the FDIC recognize the validity of any lien to secure payment except in certain cases where the Resolution Trust Corporation had an interest in property on or prior to December 31, 1995. Moreover, the Policy Statement provides that, with respect to parcels on which the FDIC holds a mortgage lien, the FDIC will not permit its lien to be foreclosed out by a taxing authority without its specific consent, nor will the FDIC pay or recognize liens for any penalties, fines or similar claims imposed for the non-payment of taxes.

The FDIC has taken a position similar to that expressed in the Policy Statement in legal proceedings brought against Orange County in United States Bankruptcy Court and in Federal District Court. The Bankruptcy Court issued a ruling in favor of the FDIC on certain of such claims. Orange County appealed that ruling, and the FDIC cross-appealed. On August 28, 2001, the Ninth Circuit Court of Appeals issued a ruling favorable to the FDIC except with respect to the payment of pre-receivership liens based upon delinquent property tax.

The Community Facilities District is unable to predict what effect the application of the Policy Statement would have in the event of a delinquency with respect to parcels in which the FDIC has or obtains an interest, although prohibiting the lien of the FDIC to be foreclosed out at a judicial foreclosure sale would prevent or delay the foreclosure sale.

In the case of Fannie Mae and Freddie Mac, in the event a parcel of taxable property is owned by a federal government entity or federal government sponsored entity, such as Fannie Mae or Freddie Mac, or a private deed of trust secured by a parcel of taxable property is owned by a federal government entity or federal government sponsored entity, such as Fannie Mae or Freddie Mac, the ability to foreclose on the parcel or to collect delinquent Special Taxes may be limited. Federal courts have held that, based on the supremacy clause of the United States Constitution "this Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, anything in the Constitution or Laws of any State to the contrary notwithstanding." In the absence of Congressional intent to the contrary, a state or local agency cannot foreclose to collect delinquent taxes or assessments if foreclosure would impair the federal government interest. This means that, unless Congress has otherwise provided, if a federal government entity owns a parcel of taxable property but does not pay taxes and assessments levied on

the parcel (including Special Taxes), the applicable state and local governments cannot foreclose on the parcel to collect the delinquent taxes and assessments.

Moreover, unless Congress has otherwise provided, if the federal government has a mortgage interest in the parcel and the Community Facilities District wishes to foreclose on the parcel as a result of delinquent Special Taxes, the property cannot be sold at a foreclosure sale unless it can be sold for an amount sufficient to pay delinquent taxes and assessments on a parity with the Special Taxes and preserve the federal government's mortgage interest. For a discussion of risks associated with taxable parcels within the Community Facilities District becoming owned by the federal government, federal government entities or federal government sponsored entities, see “— Insufficiency of the Special Tax.”

The Community Facilities District's remedies may also be limited in the case of delinquent Special Taxes with respect to parcels in which other federal agencies (such as the Internal Revenue Service and the Drug Enforcement Administration) have or obtain an interest.

Factors Affecting Parcel Values and Aggregate Value

Geologic, Topographic and Climatic Conditions; Natural Disasters. The value of the Taxable Property in the Community Facilities District in the future can be adversely affected by a variety of additional factors, particularly those which may affect infrastructure and other public improvements and private improvements on the parcels of Taxable Property and the continued habitability and enjoyment of such private improvements. Such additional factors include, without limitation, geologic conditions such as earthquakes and volcanic eruptions, topographic conditions such as earth movements, landslides, liquefaction, floods or fires, and climatic conditions such as tornadoes, droughts, and the possible reduction in water allocation or availability. If one or more of such conditions occur and results in damage to improvements of varying seriousness, such damage may entail significant repair or replacement costs and repair or replacement may never occur either because of the cost or because repair or replacement will not facilitate habitability or other use, or because other considerations preclude such repair or replacement. Under any of these circumstances, the value of the Taxable Property may well depreciate or disappear. As required by the County General Plan and applicable Specific Plans, in certain cases, commercial uses and future homeowner's associations are required to prepare disaster preparedness plans that include evacuation procedures in the event of a disaster.

State of Emergency Proclamation Regarding Drought. On January 17, 2014, with California facing water shortfalls in the then driest year in recorded state history, Governor Edmund G. Brown Jr. proclaimed a State of Emergency and directed state officials to take all necessary actions to prepare for these drought conditions. In the State of Emergency declaration, Governor Brown directed state officials to assist farmers and communities that are economically impacted by dry conditions and to ensure the State can respond if Californians face drinking water shortages. The Governor also directed state agencies to use less water and hire more firefighters and initiated a greatly expanded water conservation public awareness campaign. In addition, the proclamation gave state water officials more flexibility to manage supply throughout California under drought conditions.

The Governor's drought State of Emergency follows a series of actions the administration has taken to ensure that California is prepared for record dry conditions. In May 2013, Governor Brown issued an Executive Order to direct state water officials to expedite the review and processing of voluntary transfers of water and water rights. In December 2014, the Governor formed a Drought Task Force to review expected water allocations, California's preparedness for water scarcity and whether conditions merit a drought declaration.

On April 1, 2015, for the first time in state history, the Governor directed the State Water Resources Control Board to implement mandatory water reductions in cities and towns across California to reduce water usage by 25 percent. On May 5, 2015, the State Water Resources Control Board adopted its Resolution No. 2015-0032, adopting an emergency regulation with respect to such water usage reductions.

The implementation of mandatory water reductions is ongoing. The Community Facilities District cannot predict how long the drought conditions will last, what effect drought conditions may have on property values or whether to what extent water reduction requirements may affect the homeowners or development in the Community Facilities District. See “— Water Availability.”

Seismic Conditions. The Community Facilities District, like all California communities, may be subject to unpredictable seismic activity. The occurrence of seismic activity in the Community Facilities District could result in substantial damage to properties in the Community Facilities District which, in turn, could substantially reduce the value of such properties and could affect the ability or willingness of the property owners to pay their Special Taxes. Any major damage to structures as a result of seismic activity could result in greater reliance on undeveloped property in the payment of Special Taxes.

Legal Requirements. Other events which may affect the value of a parcel of Taxable Property in the Community Facilities District include changes in the law or application of the law. Such changes may include, without limitation, local growth control initiatives, local utility connection moratoriums and local application of statewide tax and governmental spending limitation measures.

Billing of Special Taxes

A special tax formula can result in a substantially heavier property tax burden being imposed upon properties within a community facilities district than elsewhere in a city or county, and this in turn can lead to problems in the collection of the special tax. In some community facilities districts the taxpayers have refused to pay the special tax and have commenced litigation challenging the special tax, the community facilities district and the bonds issued by the community facilities district.

Under provisions of the Act, the Special Taxes are billed to the properties within the Community Facilities District which were entered on the Assessment Roll of the County Assessor by January 1 of the previous fiscal year on the regular property tax bills sent to owners of such properties. Such Special Tax installments are due and payable, and bear the same penalties and interest for non-payment, as do regular property tax installments. These Special Tax installment payments cannot be made separately from property tax payments. Therefore, the unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and installment payments of Special Taxes in the future. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Proceeds of Foreclosure Sales” for a discussion of the provisions which apply and procedures which the Community Facilities District is obligated to follow in the event of delinquency in the payment of installments of Special Taxes.

Inability to Collect Special Taxes

In order to pay debt service on the Series 2015 Bonds, it is necessary that the Special Tax levied against land within the Community Facilities District be paid in a timely manner. The Community Facilities District has covenanted in the Indenture under certain conditions to institute foreclosure proceedings against property with delinquent Special Tax in order to obtain funds to pay debt service on the Series 2015 Bonds. If foreclosure proceedings were instituted, any mortgage or deed of trust holder could, but would not be required to, advance the amount of the delinquent Special Tax to protect its security interest. In the event such superior court foreclosure is necessary, there could be a delay in principal and interest payments to the owners of the Series 2015 Bonds pending prosecution of the foreclosure proceedings and receipt of the proceeds of the foreclosure sale, if any. No assurances can be given that the real property subject to foreclosure and sale at a judicial foreclosure sale will be sold or, if sold, that the proceeds of such sale will be sufficient to pay any delinquent Special Tax installment. Although the Act authorizes the Community Facilities District to cause such an action to be commenced and diligently pursued to completion, the Act does not obligate the Community Facilities District to purchase or otherwise acquire any lot or parcel of property sold at the

foreclosure sale if there is no other purchaser at such sale. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Proceeds of Foreclosure Sales.”

Proposition 218

An initiative measure commonly referred to as the “Right to Vote on Taxes Act” (the “Initiative”) was approved by the voters of the State of California at the November 5, 1996 general election. The Initiative added Article XIII C and Article XIII D to the California Constitution. According to the “Title and Summary” of the Initiative prepared by the California Attorney General, the Initiative limits “the authority of local governments to impose taxes and property-related assessments, fees and charges.” The provisions of the Initiative as they may relate to community facilities districts are subject to interpretation by the courts. The Initiative could potentially impact the Special Taxes available to the Community Facilities District to pay the principal of and interest on the Series 2015 Bonds as described below.

Among other things, Section 3 of Article XIII C states that “. . . the initiative power shall not be prohibited or otherwise limited in matters of reducing or repealing any local tax, assessment, fee or charge.” The Act provides for a procedure which includes notice, hearing, protest and voting requirements to alter the rate and method of apportionment of an existing special tax. However, the Act prohibits a legislative body from adopting any resolution to reduce the rate of any special tax or terminate the levy of any special tax pledged to repay any debt incurred pursuant to the Act unless such legislative body determines that the reduction or termination of the special tax would not interfere with the timely retirement of that debt. On July 1, 1997, a bill was signed into law by the Governor of the State enacting Government Code Section 5854, which states that:

“Section 3 of Article XIII C of the California Constitution, as adopted at the November 5, 1996, general election, shall not be construed to mean that any owner or beneficial owner of a municipal security, purchased before or after that date, assumes the risk of, or in any way consents to, any action by initiative measure that constitutes an impairment of contractual rights protected by Section 10 of Article I of the United States Constitution.”

Accordingly, although the matter is not free from doubt, it is likely that the Initiative has not conferred on the voters the power to repeal or reduce the Special Taxes if such reduction would interfere with the timely retirement of the Series 2015 Bonds.

It may be possible, however, for voters or the Board of Supervisors of the County acting as the legislative body of the Community Facilities District to reduce the Special Taxes in a manner which does not interfere with the timely repayment of the Series 2015 Bonds, but which does reduce the maximum amount of Special Taxes that may be levied in any year below the existing levels. Furthermore, no assurance can be given with respect to the future levy of the Special Taxes in amounts greater than the amount necessary for the timely retirement of the Series 2015 Bonds. Therefore, no assurance can be given with respect to the levy of Special Taxes for Administrative Expenses. Nevertheless, to the maximum extent that the law permits it to do so, the Community Facilities District will covenant in the Indenture that it will not initiate proceedings under the Act to modify the Rate and Method if such modification would adversely affect the security for the Series 2015 Bonds. The Community Facilities District also will covenant in the Indenture that, if an initiative is adopted that purports to modify the Rate and Method in a manner that would adversely affect the security for the Series 2015 Bonds, the Community Facilities District will, to the extent permitted by law, commence and pursue reasonable legal actions to prevent the modification of the Rate and Method in a manner that would adversely affect the security for the Series 2015 Bonds. However, no assurance can be given as to the enforceability of the foregoing covenants.

With respect to the approval of the Special Taxes, on August 1, 2014, the California Court of Appeal, Fourth Appellate District, Division One, issued its opinion in *City of San Diego v. Melvin Shapiro, et al.* (D063997) (the “San Diego Decision”). The case involved a Convention Center Facilities District (the

“CCFD”) established by the City of San Diego (the “City”). The CCFD is a financing district much like a community facilities district established under the provisions of the Act. The CCFD is comprised of all of the real property in the entire City. However, the special tax to be levied within the CCFD was to be levied only on hotel properties located within the CCFD.

The election authorizing the special tax was limited to owners of hotel properties and lessees of real property owned by a governmental entity on which a hotel is located. Thus, the election was not a registered voter election. Such approach to determining who would constitute the qualified electors of the CCFD was modeled after Section 53326(c) of the Act, which generally provides that, if a special tax will not be apportioned in any tax year on residential property, the legislative body may provide that the vote shall be by the landowners of the proposed district whose property would be subject to the special tax. The Court held that the CCFD special tax election was invalid under the California Constitution because Article XIII A, Section 4 thereof and Article XIII C, Section 2 thereof require that the electors in such an election be the registered voters within the district.

The facts of the San Diego Decision show that there were hundreds of thousands of registered voters within the CCFD (viz., all of the registered voters in the City). The election held in the Community Facilities District had no registered voters within the Community Facilities District at the time of the election to authorize the Special Tax. In the San Diego Decision, the Court expressly stated that it was not addressing the validity of landowner voting to impose special taxes pursuant to the Act in situations where there are fewer than 12 registered voters. Thus, by its terms, the Court’s holding does not apply to the Special Tax election in the Community Facilities District. Moreover, Section 53341 of the Act provides that any “action or proceeding to attack, review, set aside, void or annul the levy of a special tax...shall be commenced within 30 days after the special tax is approved by the voters.” Similarly, Section 53359 of the Act provides that any action to determine the validity of bonds issued pursuant to the Act be brought within 30 days of the voters approving the issuance of such bonds. Voters within the Community Facilities District approved the Special Tax and the issuance of bonds on June 18, 2007. Based on Sections 53341 and 53359 of the Act and analysis of existing laws, regulations, rulings and court decisions, Bond Counsel is of the opinion that no successful challenge to the Special Tax being levied in accordance with the Rate and Method may now be brought.

The interpretation and application of the Initiative will ultimately be determined by the courts with respect to a number of the matters discussed above, and it is not possible at this time to predict with certainty the outcome of such determination or the timeliness of any remedy afforded by the courts. See “SPECIAL RISK FACTORS — Limitations on Remedies.”

Ballot Initiatives; State Legislation

Articles XIII C and XIII D were adopted pursuant to measures qualified for the ballot pursuant to California’s constitutional initiative process and the State Legislature has in the past enacted legislation which has altered the spending limitation or established minimum funding provision for particular activities. On March 6, 1995, in the case of *Rossi v. Brown*, the State Supreme Court held that an initiative can repeal a tax ordinance and prohibit the imposition of further such taxes and that the exemption from the referendum requirements does not apply to initiatives. From time to time, other initiative measures could be adopted by California voters or legislation enacted by the Legislature. The adoption of any such initiative or legislation might place limitations on the ability of the State, the County, or local districts to increase revenues or to increase appropriations or on the ability of the landowners within the Community Facilities District to complete the remaining proposed development.

Limited Secondary Market

There can be no guarantee that there will be a secondary market for the Series 2015 Bonds or, if a secondary market exists, that the Series 2015 Bonds can be sold at all or for any particular price. Although the Community Facilities District has committed to provide certain financial and operating information on an

annual basis, there can be no assurance that such information will be available to Beneficial Owners of the Series 2015 Bonds on a timely basis. See “CONTINUING DISCLOSURE.” The failure to provide the required annual financial information does not give rise to monetary damages but merely an action for specific performance. Occasionally, because of general market conditions, lack of current information, or because of adverse history or economic prospects connected with a particular issue, secondary marketing practices in connection with a particular issue are suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then prevailing circumstances. Such prices could be substantially different from the original purchase price.

Loss of Tax Exemption; Tax Treatment of the Series 2015 Bonds

The interest on the Series 2015 Bonds could become includable in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2015 Bonds as a result of an act or omission of the Community Facilities District in violation of certain provisions of the Code and the covenants of the Indenture. See “LEGAL MATTERS — Tax Matters.” In order to maintain the exclusion from gross income for federal income tax purposes of the interest on the Series 2015 Bonds, the Community Facilities District has covenanted in the Indenture not to take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of interest on the Series 2015 Bonds under Section 103 of the Internal Revenue Code of 1986. Should such an event of taxability occur, the Series 2015 Bonds are not subject to early redemption and will remain outstanding to maturity or until redeemed under the optional redemption or mandatory sinking fund redemption provisions of the Indenture. See “THE SERIES 2015 BONDS — Redemption.”

Future legislation, if enacted into law, or clarification of the Code may cause interest on the Series 2015 Bonds to be subject, directly or indirectly, to federal income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such future legislation or clarification of the Code may also affect the market price for, or marketability of, the Series 2015 Bonds. Prospective purchasers of the Series 2015 Bonds should consult their own tax advisors regarding any enactment of any such future legislation, as to which Bond Counsel expresses no opinion.

It is possible that subsequent to the issuance of the Series 2015 Bonds there might be federal, state, or local statutory changes (or judicial or regulatory interpretations of federal, state, or local law) that affect the federal, state, or local tax treatment of the Series 2015 Bonds or the market value of the Series 2015 Bonds. Recently, proposed legislative changes have been introduced in Congress, which, if enacted, could result in additional federal income or state tax being imposed on owners of tax-exempt state or local obligations, such as the Series 2015 Bonds. The introduction or enactment of any of such changes could adversely affect the market value or liquidity of the Series 2015 Bonds. No assurance can be given that subsequent to the issuance of the Series 2015 Bonds such changes (or other changes) will not be introduced or enacted or interpretations will not occur. Before purchasing any of the Series 2015 Bonds, all potential purchasers should consult their tax advisors regarding possible statutory changes or judicial or regulatory changes or interpretations, and their collateral tax consequences relating to the Series 2015 Bonds.

Limitations on Remedies

Remedies available to the Beneficial Owners of the Series 2015 Bonds may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the Series 2015 Bonds or to preserve the tax-exempt status of the Series 2015 Bonds.

Bond Counsel has limited its opinion as to the enforceability of the Series 2015 Bonds and of the Indenture to the extent that enforceability may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance or transfer, moratorium, or other similar laws affecting generally the enforcement of creditors’ rights, by equitable principles and by the exercise of judicial discretion. The Series 2015 Bonds are not subject

to acceleration. The lack of availability of certain remedies or the limitation of remedies may entail risks of delay, limitation or modification of the rights of the Beneficial Owners of the Series 2015 Bonds.

CONTINUING DISCLOSURE

Pursuant to a Continuing Disclosure Agreement (the “Continuing Disclosure Agreement”), by and between the Community Facilities District and the Trustee, the Community Facilities District will agree to provide, or cause to be provided, to the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access (EMMA) website, or other repository authorized under Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission, certain annual financial information and operating data concerning the Community Facilities District. The Annual Report to be filed by the Community Facilities District is to be filed not later than April 1 of each year, beginning April 1, 2016, and is to include audited financial statements of the Community Facilities District, if any. The full text of the Continuing Disclosure Agreement is set forth in Appendix D — “FORM OF CONTINUING DISCLOSURE AGREEMENT OF THE COMMUNITY FACILITIES DISTRICT.”

Notwithstanding any provision of the Indenture, failure of the Community Facilities District to comply with the Continuing Disclosure Agreement shall not be considered an event of default under the Indenture. However, any holder of the Series 2015 Bonds may take such action as is necessary and appropriate, including seeking mandate or a judgment for specific performance, to cause the Community Facilities District to comply with its obligations with respect to the Continuing Disclosure Agreement.

No Prior Community Facilities District Undertaking. The Community Facilities District has never entered into a prior continuing disclosure obligation under Rule 15c2-12(b)(5) (the “Rule”).

Compliance by the County and certain Related Entities with Continuing Disclosure Undertakings. The Community Facilities District (not the County) is obligated to comply with the Continuing Disclosure Agreement and, through the Continuing Disclosure Agreement, the Rule. However, the County Board of Supervisors is the legislative body of the Community Facilities District and the County’s other community facilities districts and the Community Facilities District has no employees or staff independent of the County.

A review of compliance with disclosure undertakings by the County and certain of its related entities for filings since July 1, 2010, indicates that the County and certain of its related entities have not fully complied in certain respects with continuing disclosure obligations related to outstanding indebtedness. Identification of the below described events does not constitute a representation by the County or a related entity that any of such events were material. Such failure to comply fell into two general categories: (i) failure to provide significant event notices with respect to changes in the ratings of outstanding indebtedness, primarily related to changes in the ratings of various bond insurers insuring the indebtedness of the County or its related entities; and (ii) missing, incomplete or late filing of annual reports with respect to a number of the bond issues. In almost every case with respect to obligations related to the County’s General Fund, such information and reports were available on the County’s website and/or available in other continuing disclosure filings made by the County.

Some specific examples of such failures include:

(a) With respect to the County’s community facilities districts, Community Facilities District No. 03-1 (Newport Road) of the County filed its annual report approximately 122 days after the filing deadline in fiscal year 2010-11, approximately 15 days after the filing deadline in fiscal year 2012-13, and approximately 90 days after the filing deadline in fiscal year 2013-14. Community Facilities District No. 89-4 also filed its annual report for fiscal year 2010-11 200 days after the filing deadline.

(b) With respect to the Housing Authority of the County of Riverside Refunding Revenue Bonds 1998 Series A (Corona Projects), no filings were submitted to the MSRB for Fiscal Years 2009-10 through

2012-13, and with respect to certain redevelopment issuances involving the Riverside County Public Financing Authority, no filings were made to the MSRB in fiscal years 2010-11, 2011-12 and 2012-13. The Housing Authority of the County of Riverside submitted to EMMA the financial statements of the Redevelopment Agency of the City of Corona for fiscal years 2009-10 through 2012-13 on May 21, 2014.

(c) The Riverside County Public Financing Authority filed its annual reports for fiscal years 2010-11 through 2012-13 late with respect to its 2004 Tax Allocation Revenue Bonds (County of Riverside Redevelopment Project), 2005 Tax Allocation Revenue Bonds (County of Riverside Redevelopment Projects), 2006 Series A Tax Allocation Revenue Bonds (Jurupa Valley, Desert Communities and Interstate 215 Corridor Redevelopment Projects), and 2006 Series B Tax Allocation Revenue Bonds (Redevelopment Project Area No. 1 and Mid-County Redevelopment Project). Additionally, certain information was missing from the annual reports filed for fiscal years 2011-12 and 2012-13 for the 2004 Tax Allocation Revenue Bonds, the 2005 Tax Allocation Revenue Bonds, the 2006 Series A Tax Allocation Revenue Bonds, and the 2006 Series B Tax Allocation Revenue Bonds. A remedial filing was submitted on July 1, 2014 providing the missing information from each report. In addition, a notice of rating upgrade with respect to the 2006 Series A Tax Allocation Revenue Bonds was filed.

(d) The County did not meet certain disclosure obligations with respect to its teeter obligation notes, which were issued in 2009, 2010, and 2012, and have since matured.

The County and its related entities have internally reviewed their previous filings and have made all of the required additional filings deemed to be material. With respect to notices of rating changes, the County and its related entities prepared and filed an omnibus corrective notice regarding bond insurer ratings and ratings of the County's general fund debt.

In order to ensure ongoing compliance by the County and its related entities with their continuing disclosure undertakings, (i) the County has instituted new procedures to ensure future compliance and coordination between the County and its related entities; and (ii) the County has contracted with a consultant to assist the County in filing accurate, complete and timely disclosure reports on behalf of the County.

LEGAL MATTERS

Tax Matters

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Community Facilities District ("Bond Counsel"), based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2015 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and is exempt from State of California personal income taxes. In the further opinion of Bond Counsel, interest on the Series 2015 Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. A complete copy of the proposed form of opinion of Bond Counsel is set forth in Appendix E hereto.

To the extent the issue price of any maturity of the Series 2015 Bonds is less than the amount to be paid at maturity of such Series 2015 Bonds (excluding amounts stated to be interest and payable at least annually over the term of such Series 2015 Bonds), the difference constitutes "original issue discount," the accrual of which, to the extent properly allocable to each beneficial owner thereof, is treated as interest on the Series 2015 Bonds which is excluded from gross income for federal income tax purposes and State of California personal income taxes. For this purpose, the issue price of a particular maturity of the Series 2015 Bonds is the first price at which a substantial amount of such maturity of the Series 2015 Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of

underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Series 2015 Bonds accrues daily over the term to maturity of such Series 2015 Bonds on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Series 2015 Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Series 2015 Bonds. Beneficial owners of the Series 2015 Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Series 2015 Bonds with original issue discount, including the treatment of beneficial owners who do not purchase such Series 2015 Bonds in the original offering to the public at the first price at which a substantial amount of such Series 2015 Bonds is sold to the public.

Series 2015 Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) (“Premium Bonds”) will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of obligations, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a beneficial owner’s basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such beneficial owner. Beneficial owners of Premium Bonds should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Series 2015 Bonds. The Community Facilities District has made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Series 2015 Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Series 2015 Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Series 2015 Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel’s attention after the date of issuance of the Series 2015 Bonds may adversely affect the value of, or the tax status of interest on, the Series 2015 Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the Series 2015 Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of amounts treated as interest on, the Series 2015 Bonds may otherwise affect a beneficial owner’s federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the beneficial owner or the beneficial owner’s other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Series 2015 Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. For example, the Obama Administration’s budget proposals in recent years have proposed legislation that would limit the exclusion from gross income of interest on the Series 2015 Bonds to some extent for high income individuals. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Series 2015 Bonds. Prospective purchasers of the Series 2015 Bonds should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel is expected to express no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Series 2015 Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Community Facilities District, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Community Facilities District has covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Series 2015 Bonds ends with the issuance of the Series 2015 Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Community Facilities District or the Beneficial Owners regarding the tax-exempt status of the Series 2015 Bonds in the event of an audit examination by the IRS. Under current procedures, parties other than the Community Facilities District and its appointed counsel, including the beneficial owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Community Facilities District legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Series 2015 Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Series 2015 Bonds, and may cause the Community Facilities District or the beneficial owners to incur significant expense.

Litigation

No litigation is pending or threatened concerning the validity of the Series 2015 Bonds, the pledge of Special Taxes to repay the Series 2015 Bonds, the powers or authority of the Community Facilities District with respect to the Series 2015 Bonds, or seeking to restrain or enjoin development of the land within the Community Facilities District and a certificate of the Community Facilities District to that effect will be furnished to the Underwriter at the time of the original delivery of the Series 2015 Bonds.

Legal Opinion

The validity of the Series 2015 Bonds and certain other legal matters are subject to the approving opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Community Facilities District. premium of \$434,549.15). The purchase agreement relating to the Series 2015 Bonds provides that the Underwriter will purchase all of the Series 2015 Bonds if any are purchased. The obligation to make such purchase is subject to certain terms and conditions set forth in such purchase agreement, the approval of certain legal matters by counsel and certain other conditions.

c. Backup Special Tax

(i) If the number of RDU of Single Family Property or Multifamily Property in a specific Final Map is equal to or greater than the proposed number of such RDUs listed in Table 2 below for the corresponding Final Map, the Backup Special Tax for each Parcel of Single Family Property and Multifamily Property that is Developed Property shall be the Assigned Special Tax for such Parcel at the time such Taxable Property becomes Developed Property.

(iv) If the number of RDU of Multifamily Property in a specific Final Map is less than the proposed number of RDU identified in Table 2 below for the corresponding Final Map, then the Backup Special Tax for each RDU of Multifamily Property within said Final Map shall equal (x) the number of RDUs of Multifamily Property identified in Table 2 below multiplied by the Assigned Special Tax for Multifamily Property shown in Table 1 as increased in accordance with Section C.1.b., divided by (y) the number of RDUs of Multifamily Property within such Final Map.

(v) If the number of RDUs of Multifamily Property in a specific Final Map is subsequently changed or modified, then the Backup Special Tax shall be recalculated for each RDU of Multifamily Property within the changed or modified area of said Final Map such that the modified Backup Special Tax for each such RDU of Multifamily Property within such changed or modified area shall equal the aggregate Backup Special Tax within the changed or modified area prior to the change or modification in such Final Map divided by the number of RDUs of Multifamily Property within such changed or modified area after the change or modification in such Final Map. For a Parcel of Multifamily Property that is not changed or modified by changes or modifications to a Final Map, the Backup Special Tax shall not be recalculated.

d. Multiple Land Use Property

In some instances a Parcel of Developed Property may be assigned to more than one Land Use Category. The Assigned Special Tax levied on such a Parcel shall be the sum of the Assigned Special Tax levies for all Land Use Categories located on such Parcel. The Backup Special Tax levied on a Parcel shall be the sum of the Backup Special Tax levies that can be imposed on all Land Use Categories located on such Parcel. The Maximum Special Tax

levied on a Parcel shall be the sum of the Maximum Special Tax levies that can be imposed on all Land Use Categories located on such Parcel.

For purposes of calculating the Backup Special Tax for each Land Use Category under such circumstances, the Acreage assigned to each Land Use Category shall be based on the proportion of Residential Floor Area or Non-Residential Floor Area that is built for each Land Use Category as compared with the Total Floor Area built on the Parcel. The Administrator shall determine all allocations made under this section, and all such allocations shall be final.

2. Approved Property

a. Maximum Special Tax

The Maximum Special Tax for each Parcel of Approved Property that is Single Family or Multifamily Property shall be the greater of: (i) the applicable Assigned Special Tax set forth in Table 3, or (ii) the amount derived by application of the Backup Special Tax.

The Maximum Special Tax for each Parcel of Approved Property that is Non-Residential Property shall be the Assigned Special Tax set forth in Table 3, below.

b. Assigned Special Tax

For Fiscal Year 2007-2008, the Assigned Special Tax for each Parcel of Approved Property, except Multiple Land Use Property, shall be described in Table 3 below:

TABLE 3
Approved Property
Assigned Special Taxes
For Fiscal Year 2007-2008

Land Use Category	Taxable Parcel/Acre	Assigned Special Tax Per Parcel
1 – Single Family Property	RDU	\$ 1,049 per RDU
2. – Multifamily Property	RDU	\$ 795 per RDU
3 – Non – Residential Property	Acre	\$ 6,586 per Acre

For each Fiscal Year following Fiscal Year 2007-2008, the Assigned Special Tax shall increase by an amount equal to 2.00% of the Assigned Special Tax in effect for the prior Fiscal Year.

c. Backup Special Tax

(i) If the number of RDU of Single Family Property or Multifamily Property in a specific Final Map is equal to or greater than the proposed number of such RDUs listed in Table 2 above for the corresponding Final Map, the Backup Special Tax for each Parcel of Single Family Property and Multifamily Property that is Approved Property shall be the Assigned Special Tax for such Parcel at the time such Taxable Property becomes Approved Property.

(ii) If the number of RDU of Single Family Property in a specific Final Map is less than the proposed number of RDU identified in Table 2 above for the corresponding Final Map, then the Backup Special Tax for each RDU of Single Family Property

within said Final Map shall equal (x) the number of RDUs of Single Family Property identified in Table 2 above multiplied by the Assigned Special Tax for Single Family Property shown in Table 3, as increased in accordance with Section C.2.b., divided by (y) the number of RDUs of Single Family Property within such Final Map.

(iii) If the number of RDUs of Single Family Property in a specific Final Map is subsequently changed or modified, then the Backup Special Tax shall be recalculated for each RDU of Single Family Property within the changed or modified area of said Final Map such that the modified Backup Special Tax for each such RDU of Single Family Property within such changed or modified area shall equal the aggregate Backup Special Tax within the changed or modified area prior to the change or modification in such Final Map divided by the number of RDUs of Single Family Property within such changed or modified area after the change or modification in such Final Map. For a Parcel of Single Family Property that is not changed or modified by changes or modifications to a Final Map, the Backup Special Tax shall not be recalculated.

(iv) If the number of RDU of Multifamily Property in a specific Final Map is less than the proposed number of RDU identified in Table 2 above for the corresponding Final Map, then the Backup Special Tax for each RDU of Multifamily Property within said Final Map shall equal (x) the number of RDUs of Multifamily Property identified in Table 2 above multiplied by the Assigned Special Tax for Multifamily Property shown in Table 3 as increased in accordance with Section C.2.b., divided by (y) the number of RDUs of Multifamily Property within such Final Map.

(v) If the number of RDUs of Multifamily Property in a specific Final Map is subsequently changed or modified, then the Backup Special Tax shall be recalculated for each RDU of Multifamily Property within the changed or modified area of said Final Map such that the modified Backup Special Tax for each such RDU of Multifamily Property within such changed or modified area shall equal the aggregate Backup Special Tax within the changed or modified area prior to the change or modification in such Final Map divided by the number of RDUs of Multifamily Property within such changed or modified area after the change or modification in such Final Map. For a Parcel of Multifamily Property that is not changed or modified by changes or modifications to a Final Map, the Backup Special Tax shall not be recalculated.

For each Fiscal Year following Fiscal Year 2007-2008, the Backup Special Tax shall increase by an amount equal to 2.00% of the Backup Special Tax in effect for the prior Fiscal Year.

d. Multiple Land Use Property

In some instances a Parcel of Approved Property may be assigned to more than one Land Use Category. The Assigned Special Tax levied on such a Parcel shall be the sum of the Assigned Special Tax levies for all Land Use Categories located on such Parcel. The Backup Special Tax levied on a Parcel shall be the sum of the Backup Special Tax levies that can be imposed on all Land Use Categories located on such Parcel. The Maximum Special Tax levied on a Parcel shall be the sum of the Maximum Special Tax levies that can be imposed on all Land Use Categories located on such Parcel.

For purposes of calculating the Backup Special Tax for each Land Use Category under such circumstances, the Acreage assigned to each Land Use Category shall be based on the proportion of Residential Floor Area or Non-Residential Floor Area that is built for each Land

Use Category as compared with the Total Floor Area built on the Parcel. The Administrator shall determine all allocations made under this section, and all such allocations shall be final.

3. Undeveloped Property, Property Owners' Association Property and Public Property.

The Maximum Special Tax for each Parcel of Undeveloped Property, Property Owners' Association Property and Public Property is \$ 6,586 per Acre, times the Acreage of the Parcel.

For each Fiscal Year following Fiscal Year 2007-2008, the Maximum Special Tax for Undeveloped Property, Property Owners' Association Property and Public Property shall increase by an amount equal to 2.00% of the Maximum Special Tax in effect for the prior Fiscal Year.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2007-2008 and for each following Fiscal Year, the Legislative Body shall levy the Special Tax on all Taxable Property in accordance with the following steps:

First: Prior to the issuance of Bonds, the Special Tax shall be levied on each Parcel of Developed Property at 100% of the applicable Assigned Special Tax to be applied to the cost of the facilities authorized to be financed by the CFD; subsequent to the issuance of the Bonds, the Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax, as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the applicable Assigned Special Tax, as needed to satisfy the Special Tax Requirement;

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Fourth: If additional moneys are needed to satisfy the Special Tax Requirement after the first three steps have been completed, the Special Tax shall be levied on each Parcel of Approved Property and/or Developed Property whose Maximum Special Tax is derived by the application of the Backup Special Tax, shall be increased Proportionately at up to 100% of the difference between the applicable Maximum Special Tax for each such Parcel less the applicable Assigned Special Tax for such Parcel as needed to satisfy the Special Tax Requirement;

Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Property Owners' Association Property that is not Exempt Property at up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement.

Sixth: If additional moneys are needed to satisfy the Special Tax Requirement after the first five steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Public Property that is not Exempt Property, at up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement.

Notwithstanding the above, under no circumstances shall the Special Taxes levied against any Parcel of Developed Property that is Residential Property be increased as a consequence of delinquency or default by the owner of any other Parcel or Parcels within the CFD by more than ten percent (10%).

E. EXEMPTIONS

Land conveyed or irrevocably offered for dedication to a public agency after formation of the CFD and not otherwise shown as or not exempt pursuant to this Section E, shall be subject to the levy of Special Tax pursuant to Section 53317.3 or 53317.5 of the Act.

Notwithstanding the above, the Special Tax shall not be imposed upon any of the following:

- (1) The Legislative Body shall not levy Special Taxes on up to 233.98 Acres of Public Property which include, but not limited to, public streets, water and sewer facilities, and/or flood control drainage channels but excluding Public Property owned by a public school district.
- (2) The Legislative Body shall not levy Special Taxes on up to 10.36 Acres of Public Property that is owned by a public school district.
- (3) In addition to the exempt Acres of Public Property included in (1) and (2) above, the Legislative Body shall not levy Special Taxes on up to 152.25 Acres of Public Property and/or Property Owners' Association Property that is property dedicated and restricted for the use as open space, park, public streets, recreation area or habitat reserve.
- (4) In addition to the exempt Acres of Property Owners' Association Property referenced in (3) above, the Legislative Body shall not levy Special Taxes on up to 6.95 Acres of Property Owners' Association Property that is dedicated and restricted for use as private streets or golf course.
- (5) The Legislative Body shall not levy Special Taxes on up to 16.50 Acres that has been or is required to be dedicated to a public agency, or non-profit entity pursuant to the Western Riverside County multi-species habitat conservation plan (MSHCP).

If the limit of Acres within one of the categories described in (1), (2) or (3), above, has not been reached, the Legislative Body may, at its discretion as and when it deems appropriate, reallocate and transfer all or a portion of the remaining Acres in said category to either of the other two categories.

After the limit of Acres within each of the above has been reached, the Special Tax obligation for any additional Public Property and/or Property Owners' Association Property acreage may be prepaid pursuant to the provision within Section H., below. Until the Special Tax obligation is prepaid as provided for in the preceding sentence, the Public Property and/or Property Owners' Association Property will be subject to the levy of the Special Tax as provided for in the fifth and sixth steps of Section D. above.

F. MANNER OF COLLECTION, PENALTIES, PROCEDURE & LIEN PRIORITY

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the CFD may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if necessary to meet its financial obligations, and if so collected, a delinquent penalty of 10% of the Special Tax will attach at 5:00 p.m. on the date the Special Tax becomes delinquent and interest at 1.5% per month of the Special Tax will attach on the July 1 after the delinquency date and the first of each month thereafter until redeemed.

G. APPEALS

Any owner of a Parcel claiming that the amount of the Special Tax levied on such Parcel is not correct and/or requesting a refund may file a written notice of appeal with the Administrator once the Special Tax in dispute has been paid but, not later than 12 months after the mailing of the property tax bill on which the Special Tax appears. The Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, convene the CFD Special Tax Review Board and decide the appeal. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any legal action by such owner.

H. PREPAYMENT OF SPECIAL TAX

No Special Tax prepayment in full or prepayment in part shall be allowed unless the amount of Maximum Special Taxes, based on the categorization and classification hereunder of all Parcels on the date of the calculation, that may be levied on Taxable Property in each Fiscal Year commencing with the Fiscal Year of the proposed prepayment is at least equal to the sum of: (a) 1.1 times the debt service on the Outstanding Bonds due in the calendar year which commences in such Fiscal Year; plus (b) the Assumed Administrative Expenses for such Fiscal Year.

The following definitions apply to this Section H:

“**CFD Public Facilities**” means \$33,992,560 expressed in 2007 dollars, based on proposed TUMF and RBBD fees by the Riverside County Transportation Land Management Agency and the Western Riverside Council of Governments or such lower number as i) shall be determined by the Administrator as sufficient to provide the public facilities under the authorized bonding program of the CFD, or ii) shall be determined by the Legislative Body concurrently with a covenant that it will not issue any more Bonds to be supported by Special Tax levied under this Amended and Restated Rate and Method of Apportionment.

“**Construction Fund**” means a fund or an account specifically identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under the Act.

“**Construction Inflation Index**” means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

“**Future Facilities Costs**” means the CFD Public Facilities minus public facility costs available to be funded through escrow accounts or funded by the Outstanding Bonds as defined in Section A, minus public facility costs funded by interest earnings on the Construction Fund actually earned prior to the date of prepayment.

“**Outstanding Bonds**” means all previously issued Bonds issued and secured by the levy of Special Taxes, which will remain outstanding after the first interest and/or principal payment date following the current Fiscal Year, excluding Bonds to be redeemed at a later date with the proceeds of prior prepayments of Special Taxes.

1. Prepayment in Full

The Maximum Special Tax obligation may only be prepaid and permanently satisfied by a Parcel of Developed Property, Approved Property, or Undeveloped Property for which a Building Permit has been issued, or Public Property and/or Property Owners' Association Property that is not Exempt Property pursuant to Section E. The Maximum Special Tax obligation applicable to such Parcel may be fully prepaid and the obligation of the Parcel to pay the Special Tax permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment. An owner of a Parcel intending to prepay the Maximum Special Tax obligation for the Parcel shall provide the Administrator with written notice of intent to prepay, and within 15 business days of receipt of such notice, the Administrator shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by the CFD in calculating the Prepayment Amount (as defined below) for the Parcel. Within 15 business days of receipt of such non-refundable deposit, the Administrator shall notify such owner of the Prepayment Amount for the Parcel. Prepayment must be made not less than 60 business days prior to any redemption date, unless authorized by the Administrator, for any Bonds to be redeemed with the proceeds of such prepaid Special Taxes.

The Prepayment Amount (defined below) shall equal the sum of the amount as identified below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
Total:	equals Prepayment Amount

The Prepayment Amount shall be determined as of the proposed prepayment date as follows:

1. Confirm that no Special Tax delinquencies apply to such Parcel.
2. For Parcels of Approved Property and/or Developed Property, compute the Maximum Special Tax obligation for the current Fiscal Year for the Parcel. For Parcels of Undeveloped Property, compute the Maximum Special Tax obligation for the current Fiscal Year for the Parcel as though it was already designated as Developed Property, based upon the Building Permit which has been issued for the Parcel. For Parcels of Public Property and/or Property Owners' Association Property to be prepaid, compute the Maximum Special Tax for the current Fiscal Year for the Parcel.
3. Divide the Maximum Special Tax obligation derived pursuant to paragraph 2 by the total calculated Maximum Special Taxes for the current Fiscal Year for the entire CFD.
4. Multiply the quotient derived pursuant to paragraph 3 by the principal amount of the Outstanding Bonds to determine the amount of Outstanding Bonds to be redeemed with the Prepayment Amount (the "*Bond Redemption Amount*").
5. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "*Redemption Premium*").
6. Determine the Future Facilities Costs.

7. Multiply the quotient derived pursuant to paragraph 3 by the amount derived pursuant to paragraph 6 to determine the amount of Future Facilities Costs for the Parcel (the "*Future Facilities Amount*").
8. Determine the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds on which Bonds can be redeemed from Special Tax prepayments.
9. Determine the Special Tax levied on the Parcel in the current Fiscal Year which have not yet been paid.
10. Compute the amount the Administrator reasonably expects to derive from the investment of the Bond Redemption Amount, the Redemption Premium and the amount derived pursuant to paragraph 8, from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the Prepayment Amount.
11. Add the amounts derived pursuant to paragraphs 8 and 9 and subtract the amount derived pursuant to paragraph 10 (the "*Defeasance Amount*").
12. Verify the administrative fees and expenses, including the costs of computation of the Prepayment Amount, the costs to invest the Prepayment Amount, the costs of redeeming the Outstanding Bonds, and the costs of recording notices to evidence the prepayment of the Maximum Special Tax obligation for the Parcel and the redemption of Outstanding Bonds (the "*Administrative Fees and Expenses*").
13. The reserve fund credit (the "*Reserve Fund Credit*") shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.
14. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Future Facilities Amount, the Defeasance Amount and the Administrative Fees and Expenses, less the Reserve Fund Credit (the "*Prepayment Amount*").
15. From the Prepayment Amount, the Bond Redemption Amount, the Redemption Premium, and the Defeasance Amount shall be deposited into the appropriate fund as established under the Indenture and be used to redeem Outstanding Bonds or make debt service payments. The Future Facilities Amount shall be deposited into the Construction Fund. The Administrative Fees and Expenses shall be retained by the CFD.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such event, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next redemption from other Maximum Special Tax obligation prepayments of Outstanding Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 9 (above), the Administrator shall remove the current Fiscal Year's Special Tax levy for the prepaying Parcel from the County tax rolls. With respect to any Parcel for which the Special Tax obligation is prepaid, the Legislative Body shall cause a suitable notice to be recorded in compliance

with the Act, to indicate the prepayment of Special Tax and the release of the Special Tax lien for the Parcel, and the obligation of the Parcel to pay the Special Tax shall cease.

2. Prepayment in Part

The Maximum Special Tax on a Parcel of Developed Property or Approved Property may be partially prepaid in increments of \$2,500. For purposes of determining the partial prepayment amount, the provision of Section H.1 or H.2 shall be modified as provided by the following formula:

$$PP = ((P_E - A) \times F) + A$$

These terms have the following meaning:

- PP = the partial prepayment
- P_E = the Prepayment Amount calculated according to Section H.1 or H.2
- F = the percent by which the owner of the Parcel(s) is partially prepaying the Maximum Special Tax obligation.
- A = the Administrative Fees and Expenses determined pursuant to Section H.2

With respect to any Parcel for which the Maximum Special Tax obligation is partially prepaid, the Administrator shall (i) distribute the Partial Prepayment as provided in Paragraph 13 of Section H.2, and (ii) indicate in the records of the CFD that there has been a Partial Prepayment for the Parcel and that a portion of the Maximum Special Tax obligation equal to the remaining percentage (1.00 - F) of the Maximum Special Tax obligation will, and the Special Tax shall continue on the Parcel pursuant to Section D.

I. TERM OF THE SPECIAL TAX

Special Taxes shall be levied for the period necessary to satisfy the Special Tax Requirement, but in no event shall Special Taxes be levied after Fiscal Year 2044-2045.

Personal Income

Personal Income is the income that is received by all persons from all sources. It is calculated as the sum of wage and salary disbursements, supplements to wages and salaries, proprietors' income with inventory valuation and capital consumption adjustments, rental income of persons with capital consumption adjustment, personal dividend income, personal interest income, and personal current transfer receipts, less contributions for government social insurance.

The personal income of an area is the income that is received by, or on behalf of, all the individuals who live in the area; therefore, the estimates of personal income are presented by the place of residence of the income recipients.

Total personal income in Riverside County increased by 73% between 2002 and 2013. The following tables summarize personal income for Riverside County for 2002 through 2013.

- (a) upon the issuance of such Additional Bonds, no Event of Default shall have occurred and be continuing under the Indenture;
- (b) the issuance of such Additional Bonds shall have been authorized under and pursuant to the Act and under and pursuant to the Indenture shall have been provided for by a Supplemental Indenture which shall specify the following:

(iv) the date, the maturity date or dates and the dates on which mandatory sinking fund redemptions, if any, are to be made for such Additional Bonds; provided, however, that each such maturity date and date on which a mandatory sinking fund redemption is to be made shall be a September 1 and, provided, further, that serial maturities of serial Bonds or mandatory sinking fund redemptions for term Bonds, or any combination thereof, shall be established to provide for the redemption or payment of such Additional Bonds on or before their respective maturity dates;

(v) the Authorized Denominations of such Additional Bonds;

(vi) the redemption premiums and terms, if any, for such Additional Bonds;

is the total amount of special taxes levied for such Other CFD Bonds on all parcels of land (such fraction to be determined based upon the maximum special taxes which could be levied in the year in which maximum annual debt service on such Other CFD Bonds occurs), based upon information from the most recent Fiscal Year for which such information is available.

Notwithstanding the foregoing, if (i) such Additional Bonds are being issued to refund previously issued Bonds, and (ii) Annual Debt Service in each Bond Year, calculated for all Bonds that will be Outstanding after the issuance of such Additional Bonds, will be less than or equal to Annual Debt Service in such Bond Year, calculated for all Bonds which are Outstanding immediately prior to the issuance of such Additional Bonds, the receipt of the certificate described in paragraph (c), above, shall not be a condition precedent to the issuance of such Additional Bonds.

Nothing contained in the Indenture shall limit the issuance of any special tax bonds payable from Special Taxes if, after the issuance and delivery of such special tax bonds, none of the Bonds theretofore issued under the Indenture will be Outstanding.

Procedure for the Issuance of Additional Bonds. At any time after the sale of any Additional Bonds in accordance with the Act, such Additional Bonds shall be executed by the Community Facilities District for issuance under the Indenture and shall be delivered to the Trustee and thereupon shall be authenticated and delivered by the Trustee, but only upon receipt by the Trustee of the following:

- (e) the proceeds of the sale of such Additional Bonds; and
- (f) such further documents or money as are required by the provisions of the Indenture or by the provisions of the Supplemental Indenture authorizing the issuance of such Additional Bonds.

Within the Improvement Fund, the Trustee shall establish and maintain a separate account designated the "Proceeds Account" and a separate account designated the "Non-Proceeds Account." On the Closing Date, the Trustee shall deposit in the Proceeds Account the amount specified in the Indenture. There shall additionally be deposited in the Proceeds Account the portion, if any, of the proceeds of the sale of any Additional Bonds to be deposited therein under the Supplemental Indenture pursuant to which such Additional Bonds are issued. There shall be deposited in the Non-Proceeds Account the amounts required to be transferred thereto pursuant to the provisions of the Indenture described under paragraph (d) under the caption "-Special Tax Fund."

(b) The moneys in the Proceeds Account shall be used and withdrawn by the Trustee from time to time to pay the costs of the Facilities upon submission to the Trustee of a Written Request of the Community Facilities District stating (i) the Person to whom payment is to be made, (ii) the amount to be paid, (iii) the purpose for which the obligation was incurred, (iv) that such payment constitutes a cost of the Facilities and is a proper charge against the Proceeds Account, and (v) that such amounts have not been the subject of a prior disbursement from the Proceed Account, in each case together with a statement or invoice for each amount requested thereunder.

Upon the filing of a Written Certificate of the Community Facilities District stating (i) that the portion of the Facilities to be financed from the Proceeds Account has been completed and that all costs of such Facilities have been paid, or (ii) that such portion of the Facilities has been substantially completed and that all remaining costs of such portion of the Facilities have been determined and specifying the amount to be

retained therefor, the Trustee shall (A) if the amount remaining in the Proceeds Account (less any such retention) is equal to or greater than \$25,000, transfer the portion of such amount equal to the largest integral multiple of \$5,000 that is not greater than such amount to the Redemption Fund, to be applied to the redemption of Bonds, and (B) after making the transfer, if any, required to be made pursuant to the preceding clause (A), transfer all of the amount remaining in the Proceeds Account (less any such retention) to the Bond Fund, to be applied to the payment of interest on the Bonds.

(c) The moneys in the Non-Proceeds Account shall be used and withdrawn by the Trustee from time to time to pay the costs of the Facilities upon submission to the Trustee of a Written Request of the Community Facilities District stating (i) the Person to whom payment is to be made, (ii) the amount to be paid, (iii) the purpose for which the obligation was incurred, (iv) that such payment constitutes a cost of the Facilities and is a proper charge against the Non-Proceeds Account, and (v) that such amounts have not been the subject of a prior disbursement from the Non-Proceeds Account, in each case together with a statement or invoice for each amount requested thereunder.

The moneys in the Non-Proceeds Account shall be transferred by the Trustee from time to time to the Administrative Expense Fund, the Bond Fund, the Reserve Fund, the Rebate Fund or the Redemption Fund as requested, and in the amount specified, in a Written Request of the Community Facilities District submitted to the Trustee.

Investment of Moneys. Except as otherwise provided in the Indenture, all moneys in any of the funds or accounts established pursuant to the Indenture and held by the Trustee shall be invested by the Trustee solely in Permitted Investments, as directed in writing by the Community Facilities District two Business Days prior to the making of such investment. Moneys in all funds and accounts held by the Trustee shall be invested in Permitted Investments maturing not later than the date on which it is estimated that such moneys will be required for the purposes specified in the Indenture; provided, however, that Permitted Investments in which moneys in the Reserve Fund are so invested shall mature no later than the earlier of five years from the date of investment or the final maturity date of the Bonds and, provided, further, that if such Permitted Investments may be redeemed at par so as to be available on each Interest Payment Date, any amount in the Reserve Fund may be invested in such redeemable Permitted Investments maturing on any date on or prior to the final maturity date of the Bonds. Absent timely written direction from the Community Facilities District, the Trustee shall invest any funds held by it in Permitted Investments described in paragraph 6 of the definition thereof.

Subject to the provisions of the Indenture relating to the Rebate Fund, all interest, profits and other income received from the investment of moneys in any fund or account established pursuant to the Indenture (other than the Reserve Fund) shall be retained therein. Subject to the provisions of the Indenture relating to the Rebate Fund, all interest, profits or other income received from the investment of moneys in the Reserve Fund shall, prior to the date on which a Written Certificate of the Community Facilities District is delivered to the Trustee pursuant to the provisions of the Indenture summarized in paragraph (b) under the subcaption “–Improvement Fund,” be transferred to the Proceeds Account and, thereafter, shall be transferred to the Earnings Fund; provided, however, that, notwithstanding the foregoing, any such transfer shall be made from the Reserve Fund only if and to the extent that, after such transfer, the amount on deposit in the Reserve Fund is at least equal to the Reserve Requirement.

Permitted Investments acquired as an investment of moneys in any fund or account established under the Indenture shall be credited to such fund or account. For the purpose of determining the amount in any fund or account, all Permitted Investments credited to such fund shall be valued by the Trustee at the market value thereof, such valuation to be performed not less frequently than semiannually on or before each February 15 and August 15.

The Trustee may act as principal or agent in the making or disposing of any investment. Upon the Written Request of the Community Facilities District, the Trustee shall sell or present for redemption any Permitted Investments so purchased whenever it shall be necessary to provide moneys to meet any required

payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investments are credited, and the Trustee shall not be liable or responsible for any loss resulting from any investment made or sold pursuant to provisions of the Indenture summarized under this subcaption (“– Investment of Moneys”). For purposes of investment, the Trustee may commingle moneys in any of the funds and accounts established under the Indenture.

Covenants

Collection of Special Tax Revenues. (a) The Community Facilities District shall comply with all requirements of the Act, the Ordinance and the Indenture so as to assure the timely collection of Special Tax Revenues, including without limitation, the enforcement of delinquent Special Taxes; provided, however, that the Community Facilities District shall have the right to waive delinquency penalties and redemption penalties in accordance with the provisions of subdivision (e) of Section 53340 of the Act.

(b) Prior to August 1 of each year, the Community Facilities District shall ascertain from the County Assessor the relevant parcels on which the Special Taxes are to be levied, taking into account any parcel splits during the preceding and then current year. The Community Facilities District shall effect the levy of the Special Taxes each Fiscal Year in accordance with the Ordinance by each August 10, or otherwise such that the computation of the levy is complete before the final date on which the Auditor will accept the transmission of the Special Tax amounts for the parcels within the Community Facilities District for inclusion on the next real property tax roll. Upon the completion of the computation of the amounts of the levy, the Community Facilities District shall prepare or cause to be prepared, and shall transmit to the Auditor, such data as the Auditor requires in order to include the levy of the Special Taxes on the next real property tax roll.

(c) The Community Facilities District shall fix and levy the amount of Special Taxes within the Community Facilities District in each Fiscal Year in accordance with the Rate and Method and, subject to the limitations in the Rate and Method as to the maximum Special Tax that may be levied, in an amount sufficient to yield Special Tax Revenues in the amount required for (i) the payment of principal of and interest on any Outstanding Bonds becoming due and payable during the Bond Year commencing in such Fiscal Year, (ii) any necessary replenishment of the Reserve Fund, and (iii) the payment of Administrative Expenses estimated to be paid from such Special Tax Revenues, taking into account the balances in the funds and accounts established under the Indenture.

(d) The Special Taxes shall be payable and be collected in the same manner and at the same time and in the same installment as the general taxes on real property are payable, and have the same priority, become delinquent at the same time and in the same proportionate amounts and bear the same proportionate penalties and interest after delinquency as do the ad valorem taxes on real property.

Foreclosure. Pursuant to Section 53356.1 of the Act, the Community Facilities District covenants with and for the benefit of the Owners that it will commence appropriate judicial foreclosure proceedings against parcels with total Special Tax delinquencies in excess of \$5,000 (not including interest and penalties thereon) by the October 1 following the close of each Fiscal Year in which the last of such Special Taxes were due and will commence appropriate judicial foreclosure proceedings against all parcels with delinquent Special Taxes by the October 1 following the close of each Fiscal Year in which it receives Special Taxes in an amount which is less than 95% of the total Special Taxes levied in such Fiscal Year, and diligently pursue to completion such foreclosure proceedings; provided, however, that, notwithstanding the foregoing, the Community Facilities District may elect to accept payment from a property owner of at least the enrolled amount but less than the full amount of the penalties, interest, costs and attorneys’ fees related to a Special Tax delinquency, if permitted by law. Notwithstanding the foregoing, in certain instances the amount of a Special Tax delinquency on a particular parcel is so small that the cost of appropriate foreclosure proceedings will far exceed the Special Tax delinquency and in such cases foreclosure proceedings may be delayed by the Community Facilities District until there are sufficient Special Tax delinquencies accruing to such parcel (including interest and penalties thereon) to warrant the foreclosure proceedings cost.

Compliance with Act. The Community Facilities District shall comply with all applicable provisions of the Act.

Punctual Payment. The Community Facilities District shall punctually pay or cause to be paid the principal, premium, if any, and interest to become due in respect of all the Bonds, in strict conformity with the terms of the Bonds and of the Indenture, according to the true intent and meaning thereof, but only out of Net Special Tax Revenues and other assets pledged for such payment as provided in the Indenture and received by the Community Facilities District or the Trustee.

Extension of Payment of Bonds. The Community Facilities District shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase of such Bonds or by any other arrangement, and in case the maturity of any of the Bonds or the time of payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default under the Indenture, to the benefits of the Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest thereon which shall not have been so extended. Nothing summarized in this paragraph shall be deemed to limit the right of the Community Facilities District to issue Bonds for the purpose of refunding any Outstanding Bonds, and such issuance shall not be deemed to constitute an extension of maturity of the Bonds.

Against Encumbrances; Defense of Pledge. The Community Facilities District shall not create, or permit the creation of, any pledge of, lien on, security interest in or charge or other encumbrance upon the assets pledged under the Indenture, except as permitted by the Indenture. The Community Facilities District shall at all times, to the extent permitted by law, defend, preserve and protect said pledge of such assets, and the lien thereon and security interest therein created by the Indenture, against all claims and demands of all Persons whomsoever.

Tax Covenants. (a) The Community Facilities District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of interest on the Series 2015 Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the Community Facilities District shall comply with the requirements of the Tax Certificate, which is incorporated in the Indenture as if fully set forth in the Indenture. This covenant shall survive payment in full or defeasance of the Series 2015 Bonds.

(b) In the event that at any time the Community Facilities District is of the opinion that for purposes of the tax covenant provisions of the Indenture it is necessary or helpful to restrict or limit the yield on the investment of any moneys held by the Trustee in any of the funds or accounts established under the Indenture, the Community Facilities District shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any tax covenant provisions of the Indenture, if the Community Facilities District shall provide to the Trustee an opinion of Bond Counsel to the effect that any specified action required under the tax covenant provisions of the Indenture is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Series 2015 Bonds, the Trustee may conclusively rely on such opinion in complying with the requirements of the tax covenant provisions of the Indenture and of the Tax Certificate, and the covenants under the Indenture shall be deemed to be modified to that extent.

Continuing Disclosure. Each of the Community Facilities District and the Trustee shall comply with and carry out all of the provisions of the Continuing Disclosure Agreement applicable to it. Notwithstanding any other provision of the Indenture, failure of the Community Facilities District or the Trustee to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; provided, however, that the Trustee may (and, at the written direction of any Participating Underwriter or the Owners of at least 25% aggregate principal amount of Outstanding Series 2015 Bonds, and upon receipt of indemnification reasonably

satisfactory to the Trustee, shall) or any Owner or Beneficial Owner of the Series 2015 Bonds may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Non-Cash Payments of Special Taxes. The Community Facilities District shall not authorize owners of taxable parcels within the Community Facilities District to satisfy Special Tax obligations by the tender of Bonds unless the Community Facilities District shall have first obtained a report of an Independent Consultant certifying that doing so would not result in the Community Facilities District having insufficient Special Tax Revenues to pay the principal of and interest on all Outstanding Bonds when due.

Reduction in Special Taxes. The Community Facilities District shall not initiate proceedings under the Act to modify the Rate and Method if such modification would adversely affect the security for the Bonds. If an initiative is adopted that purports to modify the Rate and Method in a manner that would adversely affect the security for the Bonds, the Community Facilities District shall, to the extent permitted by law, commence and pursue reasonable legal actions to prevent the modification of the Rate and Method in a manner that would adversely affect the security for the Bonds.

Accounting Records. The Community Facilities District shall keep or cause to be kept appropriate accounting records in which complete and correct entries shall be made of all transactions relating to the Special Taxes, which records shall be available for inspection by the Trustee at reasonable hours and under reasonable conditions.

State Reporting. If at any time the Trustee fails to pay principal or interest due on any scheduled payment date for the Bonds, or if funds are withdrawn from the Reserve Fund to pay principal of or interest on the Bonds, the Trustee shall notify the Community Facilities District in writing of such failure or withdrawal, and the Community Facilities District shall notify the California Debt and Investment Advisory Commission of such failure or withdrawal within ten days of the failure to make such payment or the date of such withdrawal.

Annual Reports to the California Debt and Investment Advisory Commission. Not later than October 30 of each year, commencing October 30, 2015 and continuing until the October 30 following the final maturity of the Bonds, the Community Facilities District shall supply to the California Debt and Investment Advisory Commission the information required to be provided thereto pursuant to Section 53359.5(b) of the Act. Such information shall be made available to any Owner upon written request to the Community Facilities District accompanied by a fee determined by the Community Facilities District to pay the costs of the Community Facilities District in connection therewith. The Community Facilities District shall in no event be liable to any Owner or any other Person in connection with any error in any such information.

Further Assurances. The Community Facilities District shall make, execute and deliver any and all such further agreements, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of the Indenture and for the better assuring and confirming unto the Owners of the rights and benefits provided in the Indenture.

- (a) failure to pay any installment of principal of any Bonds when and as the same shall become due and payable, whether at maturity as therein expressed, by proceedings for redemption or otherwise;

(c) failure by the Community Facilities District to observe and perform any of the other covenants, agreements or conditions on its part in the Indenture or in the Bonds contained, if such failure shall have continued for a period of 30 days after written notice thereof, specifying such failure and requiring the same to be remedied, shall have been given to the Community Facilities District by the Trustee, or to the Community Facilities District and the Trustee by the Owners of not less than 5% in aggregate principal amount of the Bonds at the time Outstanding; provided, however, that, if in the reasonable opinion of the Community Facilities District the failure stated in the notice can be corrected, but not within such 30 day period, such failure shall not constitute an Event of Default if corrective action is instituted by the Community Facilities District within such 30 day period and the Community Facilities District shall thereafter diligently and in good faith cure such failure in a reasonable period of time; or

(d) the commencement by the Community Facilities District or the County of a voluntary case under Title 11 of the United States Code or any substitute or successor statute.

Foreclosure. If an Event of Default shall occur under the provisions of the Indenture summarized in paragraphs (a) or (b) under the subcaption “– Events of Default” above, then, and in each and every such case during the continuance of such Event of Default, the Trustee may, or at the written direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, and upon being indemnified to its satisfaction therefor, shall, commence foreclosure against any parcels of land in the Community Facilities District with delinquent Special Taxes, as provided in Section 53356.1 of the Act.

Other Remedies. If an Event of Default shall have occurred and be continuing, the Trustee shall have the right:

(a) by mandamus, suit, action or proceeding, to compel the Community Facilities District and its officers, agents or employees to perform each and every term, provision and covenant contained in the Indenture and in the Bonds, and to require the carrying out of any or all such covenants and agreements of the Community Facilities District and the fulfillment of all duties imposed upon it by the Indenture and the Act;

(c) by suit, action or proceeding in any court of competent jurisdiction, to require the Community Facilities District and its officers and employees to account as if it and they were the trustees of an express trust.

Remedies Not Exclusive. No remedy in the Indenture conferred upon or reserved to the Trustee or to the Owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given under the Indenture or now or hereafter existing at law or in equity or otherwise.

Application of Net Special Tax Revenues After Default. If an Event of Default shall occur and be continuing, all Net Special Tax Revenues and any other funds thereafter received by the Trustee under any of the provisions of the Indenture shall be applied by the Trustee as follows and in the following order:

(a) to the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Owners and payment of reasonable fees, charges and expenses of the Trustee (including reasonable fees and disbursements of its counsel) incurred in and about the performance of its powers and duties under the Indenture;

(b) to the payment of the principal and interest then due with respect to the Bonds (upon presentation of the Bonds to be paid, and stamping thereon of the payment if only partially paid, or surrender thereof if fully paid) subject to the provisions of the Indenture, as follows:

First: to the payment to the Persons entitled thereto of all installments of interest then due in the order of the maturity of such installments and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the Persons entitled thereto, without any discrimination or preference; and

Second: to the payment to the Persons entitled thereto of the unpaid principal of any Bonds which shall have become due, whether at maturity or by call for redemption, with interest on the overdue principal at the rate borne by the respective Bonds on the date of maturity or redemption, and, if the amount available shall not be sufficient to pay in full all the Bonds, together with such interest, then to the payment thereof ratably, according to the amounts of principal due on such date to the Persons entitled thereto, without any discrimination or preference.

(c) any remaining funds shall be transferred by the Trustee to the Special Tax Fund.

Power of Trustee to Enforce. All rights of action under the Indenture or the Bonds or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of the Owners of such Bonds, subject to the provisions of the Indenture.

Owners' Direction of Proceedings. Anything in the Indenture to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, and upon indemnification of the Trustee to its reasonable satisfaction, to direct the method of conducting all remedial proceedings taken by the Trustee; provided, however, that such direction shall not be otherwise than in accordance the provisions of the Indenture, the Act and other applicable law and, provided, further, that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Owners not parties to such direction.

Limitation on Owners' Right to Sue. No Owner of any Bonds shall have the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under the Indenture, the Act or any other applicable law with respect to such Bond, unless (a) such Owner shall have given to the Trustee written notice of the occurrence of an Event of Default, (b) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers granted in the Indenture or to institute such suit, action or proceeding in its own name, (c) such Owner or said Owners shall have tendered to the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request, and (d) the Trustee shall have refused or omitted to comply with such request for a period of 60 days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy under the Indenture or under law; it being understood and intended that no one or more Owners shall have any right in any manner whatever by such Owner's or Owners' action to affect, disturb or prejudice the security of the Indenture or the rights of any other Owners, or to enforce any right under the Bonds, the Indenture, the Act or other applicable law with respect to the Bonds, except in the manner provided in the Indenture, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner provided in the Indenture and for the benefit and protection of all Owners, subject to the provisions of the Indenture.

redemption, as provided in the Indenture, but only out of the Net Special Tax Revenues and other assets in the Indenture pledged therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Bonds.

Termination of Proceedings. In case any proceedings taken by the Trustee or any one or more Owners on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Owners, then in every such case the Community Facilities District, the Trustee and the Owners, subject to any determination in such proceedings, shall be restored to their former positions and rights under the Indenture, severally and respectively, and all rights, remedies, powers and duties of the Community Facilities District, the Trustee and the Owners shall continue as though no such proceedings had been taken.

No Waiver of Default. No delay or omission of the Trustee or of any Owner to exercise any right or power arising upon the occurrence of any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or an acquiescence therein, and every power and remedy given by the Indenture to the Trustee or to the Owners may be exercised from time to time and as often as may be deemed expedient.

Trustee

Duties and Liabilities of Trustee. The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are expressly and specifically set forth in the Indenture. The Trustee shall, during the existence of any Event of Default which has not been cured or waived, exercise such of the rights and powers vested in it by the Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee; provided, however, that any successor Trustee shall be qualified as provided in the Indenture as described in paragraph (a) above. If no qualified successor Trustee shall have been appointed and have accepted appointment within 45 days following notice of removal or notice of resignation as aforesaid, the removed or resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice, if any, as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under the Indenture shall signify its acceptance of such appointment by executing and delivering to the Community Facilities District and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee in the Indenture; but, nevertheless at the Written Request of the Community Facilities District or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under the Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions in the Indenture set forth. Liability of Trustee. (a) The recitals of facts in the Indenture and in the Bonds contained shall be taken as statements of the Community Facilities District, and the Trustee shall not assume responsibility for the correctness of the same or incur any responsibility in respect thereof, other than as expressly stated in the Indenture in connection with the respective duties or obligations in the Indenture or in the Bonds assigned to or imposed upon it. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds.

(c) The Trustee shall not be liable in connection with the performance of its duties under the Indenture, except for its own negligence or willful misconduct.

(d) No provision of the Indenture or any other document related to the Indenture shall require the Trustee to risk or advance its own funds.

(e) The Trustee may execute any of its powers or duties under the Indenture through attorneys, agents or receivers and shall not be answerable for the actions of such attorneys, agents or receivers if selected by it with reasonable care.

(f) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

(g) The immunities and protections extended to the Trustee also extend to its directors, officers, employees and agents.

(h) Before taking action under the provisions of the Indenture summarized under the captions "Events of Default and Remedies" or "Trustee" or upon the direction of the Owners, the Trustee may require indemnity satisfactory to the Trustee be furnished to it to protect it against all fees and expenses, including those of its attorneys and advisors, and protect it against all liability it may incur.

(i) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under the Indenture.

(j) The Trustee may become the Owner of Bonds with the same rights it would have if it were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners, whether or not such committee shall represent the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

(k) The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

(l) The Trustee shall not be liable for the failure to take any action required to be taken by it under the Indenture if and to the extent that the Trustee's taking such action is prevented by reason of an act of God, terrorism, war, riot, strike, fire, flood, earthquake, epidemic or other, similar occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care.

(m) The Trustee shall not be deemed to have knowledge of an Event of Default under the Indenture unless it has actual knowledge thereof.

Miscellaneous

Limitation of Rights. Nothing in the Indenture or in the Bonds expressed or implied is intended or shall be construed to give to any Person other than the Trustee, the Community Facilities District and the Owners of the Bonds, any legal or equitable right, remedy or claim under or in respect of the Indenture or any covenant, condition or provision therein contained, and all such covenants, conditions and provisions are and shall be held to be for the sole and exclusive benefit of the Trustee, the Community Facilities District and the Owners.

(d) If a Listed Event described in subsection (b) of this Section occurs, the Community Facilities District shall determine if such event would be material under applicable Federal securities law.

(e) If a Listed Event described in subsection (a) of this Section occurs, or if the Community Facilities District determines that the occurrence of a Listed Event described in subsection (b) of this Section would be material under applicable Federal securities law, the Community Facilities District shall, or shall cause the Dissemination Agent to, file a notice of the occurrence of such Listed Event with the MSRB, within ten business days of such occurrence.

(f) Notwithstanding the foregoing, notices of Listed Events described in paragraph (vii) of subsection (a) of this Section and paragraph (iii) of subsection (b) of this Section need not be given any earlier than the notice (if any) of the underlying event is given to holders of affected Series 2015 Bonds pursuant to the Indenture.

Section 5. Format for Filings with MSRB. Any report or filing with the MSRB pursuant to this Disclosure Agreement must be submitted in electronic format, accompanied by such identifying information as is prescribed by the MSRB.

Section 6. Termination of Reporting Obligation. The Community Facilities District's obligations under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Series 2015 Bonds. If such termination occurs prior to the final maturity of the Series 2015 Bonds, the Community Facilities District shall give notice of such termination in a filing with the MSRB.

Section 7. Dissemination Agent. The Community Facilities District may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign by providing 30 days' written notice to the Community Facilities District and the Trustee (if the Trustee is not the Dissemination Agent). The Dissemination Agent shall have no duty to prepare the Annual Report nor shall the Dissemination Agent be responsible for filing any Annual Report not provided to it by the Community Facilities District in a timely manner and in a form suitable for filing. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Community Facilities District and the Trustee may amend this Disclosure Agreement (and the Trustee shall agree to any amendment so requested by the Community Facilities District; provided, however, that the Trustee shall not be obligated to enter into any amendment increasing or affecting its duties or obligations), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of subsection (a) of Section 2 hereof, Section 3 hereof or subsection (a) or (b) of Section 4 hereof, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Series 2015 Bonds, or the type of business conducted;

(b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Series 2015 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the proposed amendment or waiver (i) is approved by Owners of the Series 2015 Bonds in the manner provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of Owners or Beneficial Owners of the Series 2015 Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Community Facilities District shall describe such amendment or waiver in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Community Facilities District. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements (i) notice of such change shall be given in a filing with the MSRB, and (ii) the Annual Report for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial

statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Community Facilities District from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice required to be filed pursuant to this Disclosure Agreement, in addition to that which is required by this Disclosure Agreement. If the Community Facilities District chooses to include any information in any Annual Report or notice in addition to that which is specifically required by this Disclosure Agreement, the Community Facilities District shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event or any other event required to be reported.

Section 10. Default. In the event of a failure of the Community Facilities District, the Trustee or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee may (and, at the written direction of any Participating Underwriter or the Owners of at least 25% of the aggregate principal amount of Outstanding Series 2015 Bonds, shall, upon receipt of indemnification reasonably satisfactory to the Trustee), or any Owner or Beneficial Owner of the Series 2015 Bonds may, take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Community Facilities District, the Trustee or the Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Community Facilities District, the Trustee or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. Article VIII of the Indenture is hereby made applicable to this Disclosure Agreement as if this Disclosure Agreement were (solely for this purpose) contained in the Indenture. The Dissemination Agent shall be entitled to the protections and limitations from liability afforded to the Trustee thereunder. Neither the Trustee nor the Dissemination Agent shall be responsible for the form or content of any Annual Report or notice of Listed Event. The Dissemination Agent shall receive reasonable compensation for its services provided under this Disclosure Agreement. The Dissemination Agent (if other than the Trustee or the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in this Disclosure Agreement. To the extent permitted by law, the Community Facilities District agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, and which are not due to its negligence or its willful misconduct. The obligations of the Community Facilities District under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Series 2015 Bonds.

Section 12. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Community Facilities District, the Trustee, the Dissemination Agent, the Participating Underwriter and the Owners and Beneficial Owners from time to time of the Series 2015 Bonds, and shall create no rights in any other person or entity.

Section 13. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Disclosure Agreement as of the date first above written.

FORM OF OPINION OF BOND COUNSEL

Upon the delivery of the Series 2015 Bonds, Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Community Facilities District, proposes to render its final approving opinion with respect to the Series 2015 Bonds in substantially the following form:

[Delivery Date]

Community Facilities District No. 07-2 (Clinton Keith)
of the County of Riverside
Riverside, California

Community Facilities District No. 07-2
(Clinton Keith)
of the County of Riverside
Special Tax Bonds, Series 2015
(Final Opinion)

Ladies and Gentlemen:

We have acted as bond counsel to Community Facilities District No. 07-2 (Clinton Keith) of the County of Riverside (the “Community Facilities District”) in connection with the issuance by the Community Facilities District of its Community Facilities District No. 07-2 (Clinton Keith) of the County of Riverside Special Tax Bonds, Series 2015 (the “Bonds”), in the aggregate principal amount of \$25,170,000, pursuant to the Indenture, dated as of August 1, 2015 (the “Indenture”), by and between the Community Facilities District and U.S. Bank National Association, as trustee (the “Trustee”). Capitalized undefined terms used herein have the meanings ascribed thereto in the Indenture.

In such connection, we have reviewed the Indenture, the Tax Certificate, opinions of counsel to the Community Facilities District and the Trustee, certificates of the Community Facilities District, the Trustee and others and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. Our engagement with respect to the Bonds has concluded with their issuance, and we disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Community Facilities District. We have assumed, without undertaking to

verify, the accuracy of the factual matters represented, warranted or certified in the documents referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Indenture and the Tax Certificate, including, without limitation, covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause the interest on the Bonds to be included in gross income for federal income tax purposes. In addition, we call attention to the fact that the rights and obligations under the Bonds, the Indenture and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against governmental entities such as the Community Facilities District in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), right of set-off, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the plans, specifications, maps, financial report or other engineering or financial details of the proceedings, or upon the Rate and Method or the validity of the Special Tax levied upon any individual parcel. Our services did not include financial or other non-legal advice. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Bonds and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Bonds constitute valid and binding special obligations of the Community Facilities District, payable, as provided in the Indenture, solely from Net Special Tax Revenues and the other assets pledged therefor under the Indenture.

2. The Indenture has been duly executed and delivered by, and constitutes a valid and binding obligation of the Community Facilities District. Subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein, the Indenture creates a valid pledge of, lien on and security interest in all of the amounts held in the Special Tax Fund, the Bond Fund and the Reserve Fund to secure the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms, the provisions of the Indenture and the Act.

3. Interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. Interest on the Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although we observe that it is included in adjusted current earnings when calculating corporate alternative minimum taxable income. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds.

Faithfully yours,

APPENDIX F

BOOK-ENTRY AND DTC

The information in this section concerning DTC and DTC's book-entry only system has been obtained from sources that the Community Facilities District believes to be reliable, but the Community Facilities District takes no responsibility for the completeness or accuracy thereof. The following description of the procedures and record keeping with respect to beneficial ownership interests in the Bonds, payment of principal, premium, if any, accreted value and interest on the Bonds to DTC Participants or Beneficial Owners, confirmation and transfers of beneficial ownership interests in the Bonds and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners is based solely on information provided by DTC. Reference made to www.dtcc.com is presented as a link for additional information regarding DTC and is not a part of this Official Statement.

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds (the "Bonds"). The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal of such issue.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of "AA+." The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such

other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Community Facilities District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Community Facilities District or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the Community Facilities District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Community Facilities District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, physical Bonds are required to be printed and delivered.

The Community Facilities District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, physical Bond certificates will be printed and delivered to DTC.

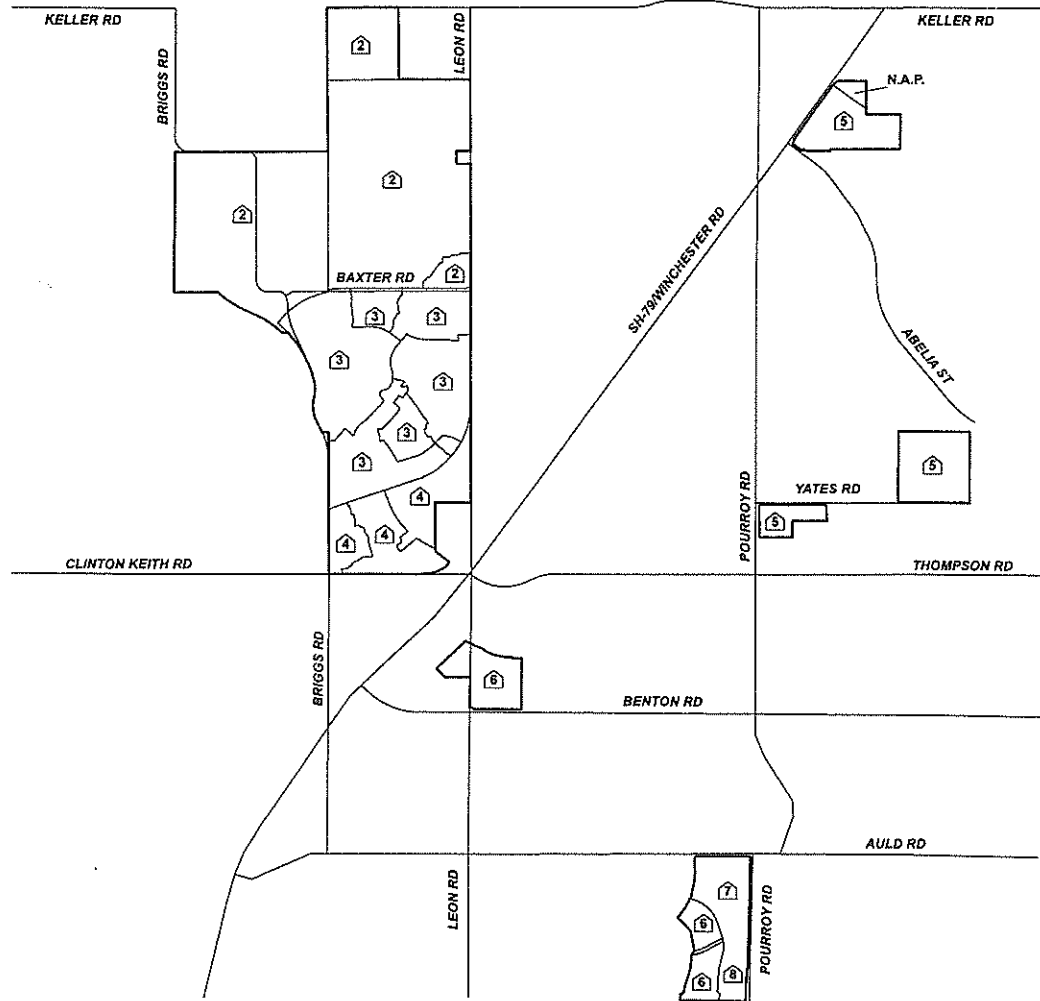

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Community Facilities District believes to be reliable, but the Community Facilities District takes no responsibility for the accuracy thereof.
